CHAPTER ONE

OBJECTIVE AND GENERAL DEFINITIONS

ARTICLE 1.1

Objective

The objective of this Agreement is to enhance the investment climate between the Parties in accordance with the provisions of this Agreement.

ARTICLE 1.2

Definitions

For the purposes of this Agreement:

1. "covered investment" means an investment which is directly or indirectly owned or controlled by a covered investor of one Party in the territory of the other Party¹;
2. "investment" means every kind of asset which has the characteristics of an investment, including such characteristics as the commitment of capital or other resources, the expectation of gain or profit, the assumption of risk or a certain duration. Forms that an investment may take include:
 - (a) tangible or intangible, movable or immovable property as well as any other property rights, such as leases, mortgages, liens, and pledges;

¹ For greater certainty, investments made "in the territory of the other Party" shall include investments made in an exclusive economic zone or continental shelf, as provided in the United Nations Convention on the Law of the Sea of 10 December 1982.

- (b) an enterprise including a branch, shares, stocks and other forms of equity participation in an enterprise, including rights derived therefrom;
- (c) bonds, debentures, and loans and other debt instruments, including rights derived therefrom;
- (d) other financial assets, including derivatives, futures and options;
- (e) turnkey, construction, management, production, concession, revenue-sharing, and other similar contracts;
- (f) claims to money or to other assets, or to any contractual performance having an economic value;
- (g) intellectual property rights¹ and goodwill; and
- (h) licenses, authorisations, permits, and similar rights conferred pursuant to domestic law, including any concessions to search for, cultivate, extract or exploit natural resources.²

Returns that are invested shall be treated as investments, and any alteration of the form in which assets are invested or reinvested shall not affect their qualification as investments.

3. "covered investor" means a natural person³ or a juridical person of a Party that has made an investment in the territory of the other Party;

- ¹ "intellectual property rights" means:
- (a) all categories of intellectual property that are the subject of Sections 1 through 7 of Part II of the Agreement on Trade-Related Aspects of Intellectual Property Rights contained in Annex 1C of the WTO Agreement (hereinafter referred to as the "TRIPS Agreement") namely:
 - (i) copyright and related rights;
 - (ii) patents (which, in the case of the Union, include rights derived from supplementary protection certificates);
 - (iii) trademarks;
 - (iv) designs;
 - (v) layout-designs (topographies) of integrated circuits;
 - (vi) geographical indications;
 - (vii) protection of undisclosed information; and (b) plant variety rights.
- ² For greater certainty, an order or judgment entered in a judicial or administrative action shall not constitute in itself an investment.
- ³ The term "natural person" includes natural persons permanently residing in Latvia who are not citizens of Latvia or any other state, but who are entitled, under the laws and regulations of Latvia, to receive a non-citizen's passport (Alien's Passport).
4. "natural person of a Party" means a national of Singapore, or of one of the Member States of the Union, according to their respective legislation;
5. "juridical person" means any legal entity duly constituted or otherwise organised under applicable law, whether for profit or otherwise, and whether privately-owned or governmentally-owned, including any corporation, trust, partnership, joint venture, sole proprietorship, or association;
6. "Union juridical person" or "Singapore juridical person" means a juridical person set up in accordance with the law of the Union or a Member State of the Union, or the law of Singapore, respectively, and having its registered office, central administration¹, or principal place of business in the territory of the Union or Singapore, respectively. Should the juridical person have only its registered office or central administration in the territory of the Union or of Singapore, respectively, it shall not be considered as a Union juridical person or Singapore juridical person, respectively, unless it engages in substantive business operations² in the territory of the Union or the territory of Singapore, respectively.

¹ "Central administration" means the head office where ultimate decision-making takes place.

² The EU Party understands that the concept of "effective and continuous link" with the economy of a Member State of the Union enshrined in Article 54 of the Treaty on the Functioning of the European Union is equivalent to the concept of "substantive business operations". Accordingly, for a juridical person set up in accordance with the laws of Singapore and

having only its registered office or central administration in the territory of Singapore, the EU Party shall only extend the benefits of this Agreement if that juridical person possesses an effective and continuous economic link with the economy of Singapore.

7. "measure" means any law, regulation, procedure, requirement or practice;
8. "treatment" or "measure"¹ adopted or maintained by a Party includes those taken by:
 - (a) central, regional or local governments and authorities; and
 - (b) non-governmental bodies in the exercise of powers delegated by central, regional or local governments or authorities;
9. "returns" means all amounts yielded by or derived from an investment or reinvestment, including profits, dividends, capital gains, royalties, interests, payments in connection with intellectual property rights, payments in kind and all other lawful income;
10. "freely convertible currency" means a currency which is widely traded in international foreign exchange markets and widely used in international transactions;
11. "establishment" means:
 - (a) the constitution, acquisition or maintenance of a juridical person; or
 - (b) the creation or maintenance of a branch or representative office,with a view to establishing or maintaining lasting economic links within the territory of a Party for the purpose of performing an economic activity;
12. "economic activity" includes any activities of an economic nature except activities carried out in the exercise of governmental authority, i.e., activities not carried out on a commercial basis or in competition with one or more economic operators;
13. "EU Party" means the Union or its Member States, or the Union and its Member States, within their respective areas of competence as derived from the Treaty on European Union and the Treaty on the Functioning of the European Union.

¹ For greater certainty, the Parties understand that the terms "treatment" or "measure" include failures to act.

CHAPTER TWO

INVESTMENT PROTECTION

ARTICLE 2.1

Scope

1. This Chapter applies to covered investors and covered investments made in accordance with applicable law, whether such investments were made before or after the entry into force of this Agreement¹.
2. Notwithstanding any other provision in this Agreement, Article 2.3 (National Treatment) does not apply to subsidies or grants provided by a Party, including government-supported loans, guarantees and insurance.
3. Article 2.3 (National Treatment) shall not apply to:
 - (a) the procurement by governmental agencies of goods and services purchased for governmental purposes and not with a view to commercial resale or with a view to use in the supply of goods or the supply of services for commercial sale; or
 - (b) audio-visual services;
 - (c) activities performed in the exercise of governmental authority within the respective territories of the Parties; for the purposes of this Agreement, an activity performed in the exercise of governmental authority means any activity, except an activity which is performed on a commercial basis or in competition with one or more suppliers.

¹ For greater certainty, this Chapter shall not apply to a Party's treatment of covered investors or covered investments before the entry into force of this Agreement.

ARTICLE 2.2

Investment and Regulatory Measures

1. The Parties reaffirm their right to regulate within their territories to achieve legitimate policy objectives, such as the protection of public health, social services, public education, safety, environment or public morals, social or consumer protection, privacy and data protection, and the promotion and protection of cultural diversity.
2. For greater certainty, the mere fact that a Party regulates, including through a modification to its laws, in a manner which negatively affects an investment or interferes with an investor's expectations, including its expectations of profits, does not amount to a breach of an obligation under this Chapter.
3. For greater certainty, a Party's decision not to issue, renew or maintain a subsidy or grant:
 - (a) in the absence of any specific commitment under domestic law or contract to issue, renew, or maintain that subsidy or grant; or
 - (b) if the decision is made in accordance with the terms or conditions attached to the issuance, renewal or maintenance of the subsidy or grant, if any,does not constitute a breach of the provisions of this Chapter.
4. For greater certainty, nothing in this Chapter shall be construed as preventing a Party from discontinuing the granting of a subsidy¹ or requesting its reimbursement where such action has been ordered by a competent court, administrative tribunal or other competent authority², or requiring that Party to compensate the investor therefor.

¹ In the case of the EU Party, "subsidy" includes "state aid" as defined in the EU law.

² In the case of the EU Party, the competent authorities entitled to order the actions mentioned in Article 2.2 (4) are the European Commission or a court or tribunal of a Member State when applying EU law on state aid.

ARTICLE 2.3

National Treatment

1. Each Party shall accord to covered investors of the other Party and to their covered investments treatment in its territory no less favourable than the treatment it accords, in like situations, to its own investors and their investments with respect to the operation, management, conduct, maintenance, use, enjoyment and sale or other disposal of their investments.

2. Notwithstanding paragraph 1, each Party may adopt or maintain any measure with respect to the operation, management, conduct, maintenance, use, enjoyment and sale or other disposal of an establishment that is not inconsistent with commitments inscribed in its Schedule of Specific Commitments in Annex 8-A or 8-B of Chapter 8 (Services, Establishment and Electronic Commerce) of the EUSFTA, respectively¹, where such measure is:
 - (a) a measure that is adopted on or before the entry into force of this Agreement;

¹ It is understood that a measure "that is not inconsistent with the commitments inscribed in a Party's Schedule of Specific Commitments in Annex 8-A or 8-B of Chapter 8 (Services, Establishment and Electronic Commerce) of the EUSFTA, respectively" shall include any measure in respect of any sector that has not been inscribed, and any measure that is not inconsistent with any condition, limitation or reservation that has been inscribed in respect of any sector, in the respective Schedules, regardless of whether such measure affects "establishment" as defined in subparagraph (d) of Article 8.8 (Definitions) of the EUSFTA.

- (b) a measure referred to in subparagraph (a) that is being continued, replaced or amended after the entry into force of this Agreement, provided the measure is no less consistent with paragraph 1 after being continued, replaced or amended than was the measure as it existed prior to its continuation, replacement or amendment; or
- (c) a measure that does not fall within subparagraphs (a) or (b), provided it is not applied in respect of, or in a way that causes loss or damage¹ to, covered investments made in the territory of the Party before the entry into force of such measure.

3. Notwithstanding paragraphs 1 and 2, a Party may adopt or enforce measures that accord to covered investors and investments of the other Party less favourable treatment than that accorded to its own investors and their investments, in like situations, subject to the requirement that such measures are not applied in a manner which would constitute a means of arbitrary or unjustifiable discrimination against the covered investors or investments of the other Party in the territory of a Party, or a disguised restriction on covered investments, where the measures are:

- (a) necessary to protect public security, public morals or to maintain public order²;
- (b) necessary to protect human, animal or plant life or health;
- (c) relating to the conservation of exhaustible natural resources if such measures are applied in conjunction with restrictions on domestic investors or investments;
- (d) necessary for the protection of national treasures of artistic, historic or archaeological value;
- (e) necessary to secure compliance with laws or regulations which are not inconsistent with the provisions of this Chapter including those relating to:

¹ For the purposes of subparagraph (2)(c), it is understood that factors like the fact that a Party has provided for a reasonable phase-in period for the implementation of a measure or that a Party has made any other attempt to address the effects of the measure on covered investments made before its entry into force, shall be taken into account in determining whether the measure causes loss or damage to covered investments made before the entry into force of the measure.

² The public order exception may be invoked only where a genuine and sufficiently serious threat is posed to one of the fundamental interests of society.

- (i) the prevention of deceptive or fraudulent practices or to deal with the effects of a default on a contract;
 - (ii) the protection of the privacy of individuals in relation to the processing and dissemination of personal data and the protection of confidential of individual records and accounts;
 - (iii) safety;
- (f) aimed at ensuring the effective or equitable¹ imposition or collection of direct taxes in respect of investors or investments of the other Party.

¹ Measures that are aimed at ensuring the effective or equitable imposition or collection of direct taxes include measures taken by a Party under its taxation system which:

- (a) apply to non-resident investors or investments in recognition of the fact that the tax obligation of non-residents is determined with respect to taxable items sourced or located in the Party's territory;
- (b) apply to non-residents in order to ensure the imposition or collection of taxes in a Party's territory;
- (c) apply to non-residents or residents in order to prevent the avoidance or evasion of taxes, including compliance measures;

- (d) apply to investments in or from the territory of the other Party in order to ensure the imposition or collection of taxes on such consumers derived from sources in the Party's territory;
- (e) distinguish investors or investments subject to tax on worldwide taxable items from other investors or investments in recognition of the difference in the nature of the tax base between them; or
- (f) determine, allocate or apportion income, profit, gain, loss, deduction or credit of resident persons or branches, or between related persons or branches of the same person, in order to safeguard a Party's tax base.

Tax terms or concepts in paragraph (f) and in this footnote are to be determined according to tax definitions or concepts, or equivalent or similar definitions and concepts, under domestic law of the Party taking the measure.

ARTICLE 2.4

Standard of Treatment

1. Each Party shall accord in its territory to covered investments of the other Party fair and equitable treatment¹ and full protection and security in accordance with paragraphs 2 to 6.
2. A Party breaches the obligation of fair and equitable treatment referenced in paragraph 1 if its measure or series of measures constitute:
 - (a) denial of justice² in criminal, civil and administrative proceedings;
 - (b) a fundamental breach of due process;
 - (c) manifestly arbitrary conduct;
 - (d) harassment, coercion, abuse of power or similar bad faith conduct.
3. In determining whether the fair and equitable treatment obligation, as set out in paragraph 2, has been breached, a Tribunal may take into account, where applicable, whether a Party made

¹ Treatment in this Article includes treatment of covered investors which directly or indirectly interferes with the covered investors' operation, management, conduct, maintenance, use, enjoyment and sale or other disposal of their covered investments.

² For greater certainty, the sole fact that the covered investor's claim has been rejected, dismissed or unsuccessful does not in itself constitute a denial of justice.

specific or unambiguous representations¹ to an investor so as to induce the investment, that created legitimate expectations of a covered investor and which were reasonably relied upon by the covered investor, but that the Party subsequently frustrated².

4. The Parties shall, upon request of a Party or recommendations by the Committee, review the content of the obligation to provide fair and equitable treatment, pursuant to the procedure for amendments set out in Article 4.3 (Amendments), in particular, whether treatment other than those listed in paragraph 2 can also constitute a breach of fair and equitable treatment.
5. For greater certainty, "full protection and security" only refers to a Party's obligation relating to the physical security of covered investors and covered investments.

¹ For greater certainty, representations made so as to induce the investments include the representations made in order to convince the investor to continue with, not to liquidate or to make subsequent investments.

² For greater certainty, the frustration of legitimate expectations as described in this paragraph does not, by itself, amount to a breach of paragraph 2, and such frustration of legitimate expectations must arise out of the same events or circumstances that give rise to the breach of paragraph 2.

6. Where a Party, by itself or through any entity mentioned in paragraph 8 of Article 1.2 (Definitions), had given a specific and clearly expressed commitment in a contractual written obligation¹ towards a covered investor of the other Party with respect to the covered investor's investment, or towards such covered investment, that Party shall not frustrate or undermine such commitment through the exercise of its governmental authority² either:

- (a) deliberately; or
- (b) in a way which substantially alters the balance of rights and obligation in the contractual written obligation, unless the Party provides reasonable compensation to restore the covered investor or covered investment to the position in which it would have been had the frustration or undermining of the commitment not occurred.

7. Neither a breach of another provision of this Agreement nor a breach of a separate international agreement shall be considered to establish that there has been a breach of this Article.

¹ For the purposes of this paragraph, a "contractual written obligation" means an agreement in writing, entered into by a Party, by itself or through any entity mentioned in paragraph 8 of Article 1.2 (Definitions), with a covered investor or a covered investment, whether in a single instrument or multiple instruments, that creates an exchange of rights and obligations that binds both parties.

² For the purposes of this Article, a Party frustrates or undermines a commitment through the exercise of its governmental authority if it frustrates or undermines that commitment through the adoption, maintenance or non-adoption of measures that are mandatory or enforceable under domestic laws.

ARTICLE 2.5

Compensation for Losses

1. Covered investors of one Party, whose covered investments suffer losses owing to war or other armed conflict, revolution, state of national emergency, revolt, insurrection or riot in the territory of the other Party, shall be accorded by that Party, as regards restitution, indemnification, compensation or other settlement, treatment no less favourable than that accorded by that Party to its own investors or to the investors of any third country, whichever is more favourable to the covered investor concerned.

2. Without prejudice to paragraph 1, covered investors of a Party who, in any of the situations referred to in paragraph 1, suffer losses in the territory of the other Party resulting from:

- (a) requisitioning of its covered investment or a part thereof by the other Party's armed forces or authorities; or
- (b) destruction of its covered investment or a part thereof by the other Party's armed forces or authorities, which was not required by the necessity of the situation;

shall be accorded by the other Party restitution or compensation.

ARTICLE 2.6

Expropriation¹

1. Neither Party shall directly or indirectly nationalise, expropriate or subject to measures having effect equivalent to nationalisation or expropriation (hereinafter referred to as "expropriation") the covered investments of covered investors of the other Party except:

- (a) for a public purpose;

¹ For greater certainty, this Article shall be interpreted in accordance with Annexes 1 to 3.

- (b) in accordance with due process of law;
- (c) on a non-discriminatory basis; and
- (d) against payment of prompt, adequate and effective compensation in accordance with paragraph 2.

2. Compensation shall amount to the fair market value of the covered investment immediately before its expropriation or impending expropriation became public knowledge, plus interest at a commercially reasonable rate, established on a market basis taking into account the length of time from the time of expropriation until the time of payment. Such compensation shall be effectively realisable, freely transferable in accordance with Article 2.7 (Transfer) and made without delay.

The valuation criteria used to determine fair market value may include going-concern value, asset value, including the declared tax value of tangible property, and other criteria, as appropriate.

3. This Article does not apply to the issuance of compulsory licences granted in relation to intellectual property rights, to the extent that such issuance is consistent with the TRIPS Agreement.

4. Any measure of expropriation or valuation shall, at the request of the covered investors affected, be reviewed by a judicial or other independent authority of the Party taking the measure.

ARTICLE 2.7

Transfer

1. A Party shall permit all transfers relating to a covered investment to be made in a freely convertible currency without restriction or delay. Such transfers include:

- (a) contributions to capital, such as principal and additional funds to maintain, develop or increase the covered investment;

- (b) profits, dividends, capital gains and other returns, and proceeds from the sale of all or any part of the covered investment or from the partial or complete liquidation of the covered investment;
- (c) interest, royalty payments, management fees, technical assistance and other fees;
- (d) payments made under a contract entered into by the covered investor or its covered investment, including payments made pursuant to a loan agreement;
- (e) earnings and other remuneration of personnel engaged from abroad who are working in connection with a covered investment;
- (f) payments made pursuant to Article 2.6 (Expropriation) and Article 2.5 (Compensation for Losses); and
- (g) payments arising under Article 3.18 (Awards).

2. Nothing in this Article shall be construed to prevent a Party from applying, in an equitable and non-discriminatory manner, its law relating to:

- (a) bankruptcy, insolvency, or the protection of the rights of creditors;
- (b) issuing, trading, or dealing in securities, futures, options, or derivatives;
- (c) financial reporting or record keeping in relation to transfers, when necessary to assist law enforcement or financial regulatory authorities;
- (d) criminal or penal offences;
- (e) ensuring compliance with orders or judgments in judicial or administrative proceedings; (f) social security, public retirement or compulsory savings schemes; or
- (g) taxation.

3. When in exceptional circumstances of serious difficulties, or the threat thereof, for the operation of the economic and monetary policy or exchange rate policy in a Party, safeguard measures with regard to transfers may temporarily be taken by the Party concerned. Such measures shall be strictly necessary, shall not exceed in any case a period of six months¹, and shall not constitute a means of arbitrary or unjustified discrimination between a Party and a non-Party in like situations.

The Party adopting the safeguard measures shall inform the other Party forthwith and present, as soon as possible, a time schedule for their removal.

4. Where a Party is in serious balance-of-payments and external financial difficulties, or under the threat thereof, it may adopt or maintain restrictive measures with regard to transfers related to investments.

5. The Parties shall endeavour to avoid the application of the restrictive measures referred to in paragraph 4. Any restrictive measures adopted or maintained under paragraph 4 shall be non-discriminatory, shall be of a limited duration, and shall not go beyond what is necessary to remedy the balance-of-payments situation and the external financial situation. They shall be in accordance with the conditions established in the Marrakesh Agreement Establishing the World Trade Organization done at Marrakesh on 15 April 1994 (hereinafter referred to as the "WTO Agreement") and consistent with the Articles of Agreement of the International Monetary Fund, as applicable.

6. A Party that maintains or adopts restrictive measures under paragraph 4, or makes any changes to such measures, shall promptly notify the other Party of them.

7. Where restrictions are adopted or maintained under paragraph 4, consultations shall be held promptly in the Committee. Such consultations shall assess the balance-of-payments situation of the Party concerned and the restrictions adopted or maintained under paragraph 4, taking into account, *inter alia*, such factors as:

¹ The application of safeguard measures may be extended through their formal reintroduction in case of continuing exceptional circumstances and after having notified the other Party regarding the implementation of any proposed formal reintroduction.

- (a) the nature and extent of the balance-of-payments and the external financial difficulties;
- (b) the external economic and trading environment; or
- (c) alternative corrective measures which may be available.

The consultations shall address the compliance of any restrictive measures with paragraphs 4 and 5. All findings of statistical and other facts presented by the International Monetary Fund (hereinafter referred to as the "IMF") relating to foreign exchange, monetary reserves and balance-of-payments shall be accepted and conclusions shall be based on the assessment by the IMF of the balance-of-payments and the external financial situation of the Party concerned.

ARTICLE 2.8

Subrogation

If a Party, or an agency acting on behalf of the Party, makes a payment in favour of any of its investors under a guarantee, a contract of insurance or other form of indemnity it has entered into or granted in respect of an investment, the other Party shall recognise the subrogation or transfer of any right or title or the assignment of any claim in respect of such investment. The Party or the agency shall have the right to exercise the subrogated or assigned right or claim to the same extent as the original right or claim of the investor. Such subrogated rights may be exercised by the Party or an agency or by the investor if the Party or the agency so authorises.

CHAPTER THREE

DISPUTE SETTLEMENT

SECTION A

RESOLUTION OF DISPUTES BETWEEN INVESTORS AND PARTIES

ARTICLE 3.1

Scope and Definitions

1. This Section applies to disputes between a claimant of one Party and the other Party concerning treatment¹ alleged to breach the provisions of Chapter Two (Investment Protection), where such breach allegedly causes loss or damage to the claimant or its locally established company.
2. For the purposes of this Section, unless otherwise specified:
 - (a) "disputing parties" means the claimant and the respondent;
 - (b) "claimant" means an investor of a Party that seeks to submit a claim pursuant to this Section, or has submitted such a claim, either:
 - (i) acting on its own behalf; or
 - (ii) acting on behalf of a locally established company, as defined in subparagraph (c), which it owns or controls²;
 - (c) "locally established company" means a juridical person that is owned or controlled³ by an investor of one Party, established in the territory of the other Party;

¹ The Parties understand that the term "treatment" may include failures to act.

² For the avoidance of doubt, subparagraph 2(b) shall constitute the Parties' agreement to treat a locally established company as a national of another Contracting State for the purposes of subparagraph 2(b) of Article 25 of the Convention on the Settlement of Investment Disputes between States and Nationals of Other States of 18 March 1965.

³ A juridical person is:

- (a) owned by natural or juridical persons of the other Party if more than 50 per cent of the equity interest in it is beneficially owned by natural or juridical persons of that Party;
- (b) controlled by natural or juridical persons of the other Party if such natural or juridical persons have the power to name a majority of its directors or otherwise to legally direct its actions.

- (d) "non-disputing Party" means either Singapore, in the case where the respondent is the Union or a Member State of the Union, or the Union, in the case where Singapore is the respondent;
- (e) "respondent" means either Singapore, or in the case of the EU Party, either the Union or the Member State of the Union as notified pursuant to Article 3.5 (Notice of Intent); and

- (f) "third party funding" means any funding provided by a natural or juridical person who is not a party to the dispute, where such person enters into an agreement with a disputing party in order to finance part or all of the cost of the proceedings in return for a share or other interest in the proceeds or potential proceeds of the proceedings to which the disputing party may become entitled, or where such person provides such funding in the form of a donation or grant.

ARTICLE 3.2

Amicable Resolution

Any dispute should as far as possible be resolved amicably through negotiations and, where possible, before the submission of a request for consultations pursuant to Article 3.3 (Consultations). An amicable resolution may be agreed at any time, including after dispute settlement proceedings under this Section have been commenced.

ARTICLE 3.3

Consultations

1. Where a dispute cannot be resolved as provided for under Article 3.2 (Amicable Resolution), a claimant of a Party alleging a breach of the provisions of Chapter Two (Investment Protection) may submit a request for consultations to the other Party.
2. The request for consultations shall contain the following information:
 - (a) the name and address of the claimant and, where such request is submitted on behalf of a locally established company, the name, address, and place of incorporation of the locally established company;
 - (b) the provisions of Chapter Two (Investment Protection) that are alleged to have been breached;

- (c) the legal and factual basis for the dispute, including the treatment that is alleged to breach the provisions of Chapter Two (Investment Protection); and
- (d) the relief sought and the estimated loss or damage that was allegedly caused to the claimant or its locally established company by reason of that breach.

3. The request for consultations shall be submitted:

- (a) within 30 months of the date on which the claimant or, as applicable, the locally established company, first acquired, or should have first acquired, knowledge of the treatment alleged to breach the provisions of Chapter Two (Investment Protection); or
- (b) in the event that local remedies are being pursued when the time period referred to in subparagraph (a) elapses, within one year of the date on which the claimant or, as applicable, the locally established company, ceases to pursue those local remedies, and, in any event, no later than 10 years after the date on which the claimant or, as applicable, its locally established company, first acquired, or should have first acquired, knowledge of the treatment alleged to breach the provisions of Chapter Two (Investment Protection).

4. In the event that the claimant has not submitted a claim pursuant to Article 3.6 (Submission of Claims to the Tribunal) within 18 months of submitting the request for consultations, the claimant shall be deemed to have withdrawn its request for consultations and any notice of intent, and shall be deemed to have waived its rights to bring such a claim. This period may be extended by agreement between the parties involved in the consultations.

5. The time periods referred to in paragraphs 3 and 4 shall not render a claim inadmissible where the claimant can demonstrate that the failure to request consultations or submit a claim, as the case may be, is due to the claimant's inability to act as a result of actions deliberately taken by the other Party, provided that the claimant acts as soon as it is reasonably able to act.

6. In the event that the request for consultations concerns an alleged breach of this Agreement by the Union, or by any Member State of the Union, it shall be sent to the Union.

7. The disputing parties may hold the consultations through video conference or other means, where appropriate, such as in the case where the claimant is a small or medium-sized enterprise.

ARTICLE 3.4

Mediation and Alternative Dispute Resolution

1. The disputing parties may at any time, including prior to the delivery of a notice of intent, agree to have recourse to mediation.
2. Recourse to mediation is voluntary and without prejudice to the legal position of either disputing party.
3. Recourse to mediation may be governed by the rules set out in Annex 6 (Mediation Mechanism for Disputes between Investors and Parties) or such other rules as the disputing parties may agree. Any time limit mentioned in Annex 6 (Mediation Mechanism for Disputes between Investors and Parties) may be modified by mutual agreement between the disputing parties.
4. The mediator shall be appointed by agreement of the disputing parties or in accordance with Article 3 (Selection of the Mediator) of Annex 6 (Mediation Mechanism for Disputes between Investors and Parties). Mediators shall comply with Annex 7 (Code of Conduct for Members of the Tribunal, the Appeal Tribunal and Mediators).
5. The disputing parties shall endeavour to reach a mutually agreed solution within 60 days of the appointment of the mediator.
6. Once the disputing parties agree to have recourse to mediation, paragraphs 3 and 4 of Article 3.3 (Consultations) shall not apply between the date on which it was agreed to have recourse to mediation and 30 days after the date on which either party to the dispute decides to put an end to the mediation by way of a letter to the mediator and the other disputing party.
7. Nothing in this Article shall preclude the disputing parties from having recourse to other forms of alternative dispute resolution.

ARTICLE 3.5

Notice of Intent

1. If the dispute cannot be settled within three months of the submission of the request for consultations, the claimant may deliver a notice of intent, which shall specify in writing the claimant's intention to submit the claim to dispute settlement, and shall contain the following information:

- (a) the name and address of the claimant and, where such request is submitted on behalf of a locally established company, the name, address, and place of incorporation of the locally established company;
- (b) the provisions of Chapter Two (Investment Protection) that are alleged to have been breached;
- (c) the legal and factual basis for the dispute, including the treatment that is alleged to breach the provisions of Chapter Two (Investment Protection); and
- (d) the relief sought and the estimated loss or damage that was allegedly caused to the claimant or its locally established company by reason of that breach.

The notice of intent shall be sent to the Union or to Singapore, as the case may be.

2. Where a notice of intent has been sent to the Union, the Union shall make a determination of the respondent within two months of the date of receipt of the notice. The Union shall inform the claimant of this determination immediately, on the basis of which the claimant may submit a claim pursuant to Article 3.6 (Submission of Claims to the Tribunal).

3. Where no determination of the respondent has been made pursuant to paragraph 2, the following shall apply:

(a) in the event that the notice of intent exclusively identifies treatment by a Member State of the Union, that Member State shall act as respondent;

(b) in the event that the notice of intent identifies any treatment by an institution, body or agency of the Union, the Union shall act as respondent.

4. Where either the Union or a Member State acts as respondent, neither the Union nor the Member State concerned shall assert the inadmissibility of a claim, or otherwise assert that a claim or award is unfounded or invalid, on the grounds that the proper respondent should be or should have been the Union rather than the Member State or *vice versa*.

5. For greater certainty, nothing in this Agreement or the applicable dispute settlement rules shall prevent the Union and the Member State concerned from exchanging any information relating to a dispute.

ARTICLE 3.6

Submission of Claims to the Tribunal

1. No earlier than three months from the date of the notice of intent delivered pursuant to Article 3.5 (Notice of Intent), the claimant may submit the claim to the Tribunal under one of the following dispute settlement rules¹:

(a) the Convention on the Settlement of Investment Disputes between States and Nationals of Other States of 18 March 1965 (hereinafter referred to as the "ICSID Convention"), provided that both the respondent and the State of the claimant are parties to the ICSID Convention;

¹ For greater certainty:

- (a) the rules of the relevant dispute settlement mechanisms shall apply subject to the specific rules set out in this Section, and supplemented by decisions adopted pursuant to subparagraph 4(g) of Article 4.1 (Committee); and
- (b) claims where a representative submits a claim in the name of a class composed of an undetermined number of unidentified claimants and intends to conduct the proceedings by representing the interests of such claimants and making all decisions relating to the conduct of the claim on their behalf shall not be admissible.

- (b) the ICSID Convention, in accordance with the Rules on the Additional Facility for the Administration of Proceedings by the Secretariat of the International Centre for Settlement of Investment Disputes (hereinafter referred to as the "ICSID Additional Facility Rules"), provided that either the respondent or the State of the claimant is a party to the ICSID Convention;¹
- (c) the arbitration rules of the United Nations Commission on International Trade Law (UNCITRAL); or
- (d) any other rules if the disputing parties so agree.

2. Paragraph 1 of this Article shall constitute the consent of the respondent to the submission of a claim under this Section. The consent under paragraph 1 and the submission of a claim under this Section shall be deemed to satisfy the requirements of:

- (a) Chapter II of the ICSID Convention, and the ICSID Additional Facility Rules, for written consent of the disputing parties; and
- (b) Article II of the United Nations Convention on the Recognition and Enforcement of Foreign Arbitral Awards, done at New York on 10 June 1958 (hereinafter referred to as the "New York Convention") for an "agreement in writing".

ARTICLE 3.7

Conditions to the Submission of Claim

- 1. A claim may be submitted under this Section only if:
 - (a) the submission of the claim is accompanied by the claimant's written consent to dispute settlement in accordance with the procedures set out in this Section and by the claimant's

¹ For the purpose of subparagraphs (a) and (b), the term "State" is deemed to include the Union, if the Union accedes to the ICSID Convention.

designation of one of the fora rules referred to in paragraph 1 of Article 3.6 (Submission of Claims to the Tribunal) as the rules for dispute settlement;

- (b) at least six months have elapsed since the submission of the request for consultations under Article 3.3 (Consultations) and at least three months have elapsed since the submission of the notice of intent under Article 3.5 (Notice of Intent);
- (c) the request for consultations and the notice of intent submitted by the claimant fulfilled the requirements set out in paragraph 2 of Article 3.3 (Consultations) and paragraph 1 of Article 3.5 (Notice of Intent) respectively;
- (d) the legal and factual basis of the dispute was subject to prior consultation pursuant to Article 3.3 (Consultations);
- (e) all the claims identified in the submission of the claim made pursuant to Article 3.6 (Submission of Claims to Tribunal) are based on treatment identified in the notice of intent made pursuant to Article 3.5 (Notice of Intent); and
- (f) the claimant:
 - (i) withdraws any pending claim submitted to the Tribunal, or to any other domestic or international court or tribunal under domestic or international law, concerning the same treatment as alleged to breach the provisions of Chapter Two (Investment Protection);
 - (ii) declares that it will not submit such a claim in the future; and
 - (iii) declares that it will not enforce any award rendered pursuant to this Section before such award has become final, and that it will not seek to appeal, review, set aside, annul or revise, or initiate any other similar procedure before an international or domestic court or tribunal, as regards an award pursuant to this Section.

2. For the purposes of subparagraph 1(f), the term "claimant" refers to the investor and, where applicable, to the locally established company. In addition, for the purposes of subparagraph 1(f)(i)

the term "claimant" includes all persons who directly or indirectly have an ownership interest in, or who are controlled by the investor or, where applicable, the locally established company.

3. Upon request by the respondent, the Tribunal shall decline jurisdiction where the claimant fails to respect any of the requirements or declarations referred to in paragraphs 1 and 2.

4. Subparagraph 1(f) shall not prevent the claimant from seeking interim measures of protection before the courts or administrative tribunals of the respondent prior to the institution of proceedings before any of the dispute settlement fora referred to in Article 3.6 (Submission of Claims to the Tribunal) or while such proceedings are pending. For the purposes of this Article, interim measures of protection shall be for the sole purpose of the preservation of the claimant's rights and interests, and shall not involve the payment of damages or the resolution of the substance of the matter in dispute.

5. For greater certainty, the Tribunal shall decline jurisdiction if the dispute had arisen, or was very likely to arise, at the time when the claimant acquired ownership or control of the investment subject to the dispute, and the Tribunal determines, based on the facts, that the claimant acquired ownership or control of the investment for the main purpose of submitting the claim under this Section. This paragraph is without prejudice to other jurisdictional objections which could be entertained by the Tribunal.

ARTICLE 3.8

Third Party Funding

1. Any disputing party benefiting from third party funding shall notify the other disputing party and the Tribunal of the name and address of the third party funder.

2. Such notification shall be made at the time the claim is submitted, or without delay as soon as the third party funding is agreed, donated or granted, as applicable.

ARTICLE 3.9

Tribunal of First Instance

1. A Tribunal of First Instance ("Tribunal") is hereby established to hear claims submitted pursuant to Article 3.6 (Submission of Claims to the Tribunal).
2. The Committee shall, upon the entry into force of this Agreement, appoint six Members to the Tribunal. For the purposes of this appointment:
 - (a) The EU Party shall nominate two Members;
 - (b) Singapore shall nominate two Members; and
 - (c) The EU Party and Singapore shall jointly nominate two Members, who shall not be nationals of any Member State of the Union or of Singapore.
3. The Committee may decide to increase or to decrease the number of the Members by multiples of three. Additional appointments shall be made on the same basis as provided for in paragraph 2.
4. The Members shall possess the qualifications required in their respective countries for appointment to judicial office, or be jurists of recognised competence. They shall have specialised knowledge of, or experience in, public international law. It is desirable that they have expertise, in particular, in international investment law, international trade law, or the resolution of disputes arising under international investment or international trade agreements.
5. The Members shall be appointed for an eight-year term. However, the inaugural terms of three of the six persons appointed immediately after the entry into force of this Agreement, to be determined by lot, shall extend to twelve years. A Member's term of appointment may be renewed by a decision of the Committee upon the expiry of that Member's term. Vacancies shall be filled as they arise. A person appointed to replace a person whose term of office has not expired shall hold office for the remainder of the predecessor's term. A person who is serving on a division of the Tribunal when his or her term expires may, with the authorisation of the President of the Tribunal, continue to serve on the division until the closure of the

proceedings of that division and shall be deemed to continue to be a Member of the Tribunal for that purpose only.

6. There shall be a President and Vice-President of the Tribunal, who shall be responsible for organisational issues. They will be appointed for a four-year term and shall be drawn by lot from among the Members who have been appointed pursuant to paragraph 2(c). They shall serve on the basis of a rotation drawn by lot by the Chair of the Committee. The Vice-President shall replace the President when the President is unavailable.
7. The Tribunal shall hear cases in divisions consisting of three Members, of whom one each shall have been appointed pursuant to paragraphs 2(a), 2(b), and 2(c), respectively. The division shall be chaired by the Member who had been appointed pursuant to paragraph 2(c).
8. Within 90 days of the submission of a claim pursuant to Article 3.6 (Submission of Claims to the Tribunal), the President of the Tribunal shall appoint the Members composing the division of the Tribunal hearing the case on a rotation basis, ensuring that the composition of each division is random and unpredictable, while giving equal opportunity to all Members to serve.
9. Notwithstanding paragraph 7, the disputing parties may agree that a case be heard by a sole Member. This Member shall be selected by the President of the Tribunal from among those Members who had been appointed pursuant to paragraph 2(c). The respondent shall give sympathetic consideration to such a request from the claimant, in particular where the claimant is a small or medium-sized enterprise or the compensation or damages claimed are relatively low. Such a request should be made at the same time as the filing of the claim pursuant to Article 3.6 (Submission of Claims to the Tribunal).
10. The Tribunal shall draw up its own working procedures.
11. The Members of the Tribunal shall ensure that they are available and able to perform the functions set out in this Section.
12. In order to ensure their availability, the Members shall be paid a monthly retainer fee to be fixed by decision of the Committee. The President of the Tribunal and, where applicable, the Vice-President, shall receive a fee equivalent to the fee determined pursuant to Article

3.10(11) (Appeal Tribunal) for each day worked in fulfilling the functions of President of the Tribunal pursuant to this Section.

13. The retainer fee and the daily fees for the President or Vice-President of the Tribunal, when fulfilling the functions of President of the Tribunal pursuant to this Section, shall be paid equally by both Parties into an account managed by the Secretariat of ICSID. In the event that one Party fails to pay the retainer fee or the daily fees, the other Party may elect to pay. Any such arrears will remain payable, with appropriate interest.
14. Unless the Committee adopts a decision pursuant to paragraph 15, the amount of the other fees and expenses of the Members on a division of the Tribunal shall be those determined pursuant to Regulation 14(1) of the Administrative and Financial Regulations of the ICSID Convention in force on the date of the submission of the claim and allocated by the Tribunal among the disputing parties in accordance with Article 3.21 (Costs).
15. Upon a decision by the Committee, the retainer fee and other fees and expenses may be permanently transformed into a regular salary. In such an event, the Members shall serve on a fulltime basis and the Committee shall fix their remuneration and related organisational matters. In that event, the Members shall not be permitted to engage in any other occupation, whether gainful or not, unless the President of the Tribunal exceptionally grants that Member an exemption.
16. The Secretariat of ICSID shall act as Secretariat for the Tribunal and provide it with appropriate support. The expenses for such support shall be allocated by the Tribunal among the disputing parties in accordance with Article 3.21 (Costs).

ARTICLE 3.10

Appeal Tribunal

1. A permanent Appeal Tribunal is hereby established to hear appeals from provisional awards issued by the Tribunal.

2. The Committee shall, upon the entry into force of this Agreement, appoint six Members to the Appeal Tribunal. For the purposes of this appointment:
 - (a) The EU Party shall nominate two Members;
 - (b) Singapore shall nominate two Members; and
 - (c) The EU Party and Singapore shall jointly nominate two Members, who shall not be nationals of any Member State of the Union or of Singapore.
3. The Committee may decide to increase or to decrease the number of the Members of the Appeal Tribunal by multiples of three. Additional appointments shall be made on the same basis as provided for in paragraph 2.
4. The Appeal Tribunal Members shall possess the qualifications required in their respective countries for appointment to the highest judicial offices, or be jurists of recognised competence. They shall have specialised knowledge of, or experience in, public international law. It is desirable that they have expertise, in particular, in international investment law, international trade law, or the resolution of disputes arising under international investment or international trade agreements.
5. The Appeal Tribunal Members shall be appointed for an eight-year term. However, the inaugural terms of three of the six persons appointed immediately after the entry into force of this Agreement, to be determined by lot, shall extend to twelve years. A Member's term of appointment may be renewed by a decision of the Committee upon the expiry of that Member's term. Vacancies shall be filled as they arise. A person appointed to replace a person whose term of office has not expired shall hold office for the remainder of the predecessor's term. A person who is serving on a division of the Appeal Tribunal when his or her term expires may, with the authorisation of the President of the Appeal Tribunal, continue to serve on the division until the closure of the proceedings of that division and shall be deemed to continue to be a Member of the Appeal Tribunal for that purpose only.
6. There shall be a President and Vice-President of the Appeal Tribunal who shall be responsible for organisational issues. They will be appointed for a four-year term, and shall be drawn by a

lot from among the Appeal Tribunal Members who have been appointed pursuant to paragraph 2(c).

They shall serve on the basis of a rotation drawn by lot by the Chair of the Committee. The Vice-President shall replace the President when the President is unavailable.

7. The Appeal Tribunal shall hear cases in divisions consisting of three Members, of whom one each shall have been appointed pursuant to paragraphs 2(a), 2(b), and 2(c), respectively. The division shall be chaired by the Member who had been appointed pursuant to paragraph 2(c).
8. The President of the Appeal Tribunal shall appoint the Members composing the division of the Appeal Tribunal hearing the appeal on a rotation basis, ensuring that the composition of each division is random and unpredictable, while giving equal opportunity to all Members to serve.
9. The Appeal Tribunal shall draw up its own working procedures.
10. The Appeal Tribunal Members shall ensure that they are available and able to perform the functions set out in this Section.
11. In order to ensure their availability, the Members shall be paid a monthly retainer fee and receive a fee for each day worked as a Member, to be determined by decision of the Committee. The President of the Appeal Tribunal and, where applicable, the Vice-President, shall receive a fee for each day worked in fulfilling the functions of President of the Appeal Tribunal pursuant to this Section.
12. The retainer fee and the daily fees for the President or Vice-President of the Appeal Tribunal when working in fulfilling the functions of President of the Appeal Tribunal pursuant to this Section shall be paid equally by both Parties into an account managed by the Secretariat of ICSID. In the event that one Party fails to pay the retainer fee or the daily fees, the other Party may elect to pay.

Any such arrears will remain payable, with appropriate interest.

13. Upon a decision by the Committee, the retainer fee and the daily fees may be permanently transformed into a regular salary. In such an event, the Appeal Tribunal Members shall serve

on a full-time basis and the Committee shall fix their remuneration and related organisational matters. In that event, the Appeal Tribunal Members shall not be permitted to engage in any other occupation, whether gainful or not, unless exemption is exceptionally granted by the President of the Appeal Tribunal.

14. The Secretariat of ICSID shall act as Secretariat for the Appeal Tribunal and provide it with appropriate support. The expenses for such support shall be allocated by the Tribunal among the disputing parties in accordance with Article 3.21 (Costs).

ARTICLE 3.11

Ethics

1. The Members of the Tribunal and of the Appeal Tribunal shall be chosen from among persons whose independence is beyond doubt. They shall not be affiliated with any government,¹ and, in particular, shall not take instructions from any government or organisation with regard to matters related to the dispute. They shall not participate in the consideration of any disputes that would create a direct or indirect conflict of interest. In so doing they shall comply with Annex 7 (Code of Conduct for Members of the Tribunal, the Appeal Tribunal and Mediators). In addition, upon appointment, they shall refrain from acting as counsel, party-appointed expert or party-appointed witness in any pending or new investment protection dispute under this or any other agreement or domestic law.

2. If a disputing party considers that a Member has conflict of interest, it shall send a notice of challenge of that Member's appointment to the President of the Tribunal or to the President of the Appeal Tribunal, respectively. The notice of challenge shall be sent within 15 days of the date on which the composition of the division of the Tribunal or of the Appeal Tribunal has been communicated to the disputing party, or within 15 days of the date on which the relevant facts came to its knowledge, if they could not have reasonably been known at the time of composition of the division. The notice of challenge shall state the grounds for the challenge.

¹ For greater certainty, the fact that a person receives an income from the government, or was formerly employed by the government, or has family relationship with a person who receives an income from the government, does not in itself render that person ineligible.

3. If, within 15 days of the date of the notice of challenge, the challenged Member has elected not to resign from that division, the President of the Tribunal or the President of the Appeal Tribunal, respectively, shall, after hearing the disputing parties and after providing the Member an opportunity to submit any observations, issue a decision within 45 days of receipt of the notice of challenge and notify the disputing parties and other Members of the division without delay.
4. Challenges against the appointment to a division of the President of the Tribunal shall be decided by the President of the Appeal Tribunal and vice-versa.
5. Upon a reasoned recommendation from the President of the Appeal Tribunal, the Parties, by decision of the Committee, may decide to remove a Member from the Tribunal or from the Appeal Tribunal, where his or her behaviour is inconsistent with the obligations set out in paragraph 1 and is incompatible with his or her continued membership of the Tribunal or Appeal Tribunal. If the behaviour in question is alleged to be that of the President of the Appeal Tribunal then the President of the Tribunal of First Instance shall submit the reasoned recommendation. Articles 3.9(5) (Tribunal of First Instance) and 3.10(4) (Appeal Tribunal) shall apply *mutatis mutandis* for filling vacancies that may arise pursuant to this paragraph.

ARTICLE 3.12

Multilateral Dispute Settlement Mechanism

The Parties shall pursue, with each other and with other interested trading partners, the establishment of a multilateral investment tribunal and appellate mechanism for the resolution of international investment disputes. Upon the establishment of such a multilateral mechanism, the Committee shall consider adopting a decision to provide that investment disputes under this Section are to be resolved through that multilateral mechanism, and to make appropriate transitional arrangements.

ARTICLE 3.13

Applicable Law and Rules of Interpretation

1. The Tribunal shall decide whether the treatment that is the subject of the claim is in breach of an obligation under Chapter Two (Investment Protection).

2.

Subject to paragraph 3, the Tribunal shall apply this Agreement interpreted in accordance with the Vienna Convention on the Law of Treaties and other rules and principles of international law applicable between the Parties.¹

3.

Where serious concerns arise as regards issues of interpretation which may affect matters relating to this Agreement, the Committee, pursuant to subparagraph 4(f) of Article 4.1 (Committee), may adopt interpretations of provisions of this Agreement. An interpretation adopted by the Committee shall be binding on the Tribunal and the Appeal Tribunal and any award shall be consistent with that decision. The Committee may decide that an interpretation shall have binding effect from a specific date.

ARTICLE 3.14

Claims Manifestly Without Legal Merit

1.

The respondent may file an objection that a claim is manifestly without legal merit no later than 30 days after the constitution of a division of the Tribunal pursuant to Article 3.9 (Tribunal of First Instance) and in any event before the first session of the division of the Tribunal.

The respondent shall specify as precisely as possible the basis for the objection.

3.

The Tribunal, after giving the disputing parties an opportunity to present their observations on the objection, shall issue a decision or provisional award on the objection at the first session of the division of the Tribunal or promptly thereafter.

¹ For greater certainty, the domestic law of the Parties shall not be part of the applicable law. Where the Tribunal is required to ascertain the meaning of a provision of the domestic law of one of the Parties as a matter of fact, it shall follow the prevailing interpretation of that provision made by the courts or authorities of that Party, and any meaning given to the relevant domestic law made by the Tribunal shall not be binding upon the courts or the authorities of either Party. The Tribunal shall not have jurisdiction to determine the legality of a measure, alleged to constitute a breach of this Agreement, under the domestic law of the disputing Party.

2.

4. This procedure and any decision of the Tribunal shall be without prejudice to the right of a respondent to object, pursuant to Article 3.15 (Claims Unfounded as a Matter of Law) or in the course of the proceedings, to the legal merits of a claim and without prejudice to the Tribunal's authority to address other objections as a preliminary question.

ARTICLE 3.15

Claims Unfounded as a Matter of Law

1. Without prejudice to the Tribunal's authority to address other objections as a preliminary question or to a respondent's right to raise any such objections at any appropriate time, the Tribunal shall address and decide as a preliminary question any objection by the respondent that, as a matter of law, a claim submitted pursuant to Article 3.6 (Submission of Claims to the Tribunal), or any part thereof, is not a claim for which an award in favour of the claimant may be made under this Section, even if the facts alleged were assumed to be true. The Tribunal may also consider any other relevant facts that are not in dispute.

An objection under paragraph 1 shall be submitted to the Tribunal as soon as possible after the division of the Tribunal is constituted, and in no event later than the date the Tribunal fixes for the respondent to submit its counter-memorial or statement of defence or, in the case of an amendment to the claim, the date the Tribunal fixes for the respondent to submit its response to the amendment. An objection may not be submitted under paragraph 1 as long as proceedings under Article 3.14 (Claims Manifestly without Legal Merit) are pending, unless the Tribunal grants leave to file an objection under this Article, after having taken due account of the circumstances of the case.

3. Upon receipt of an objection under paragraph 1, and unless it considers the objection manifestly unfounded, the Tribunal shall suspend any proceedings on the merits, shall establish a schedule for considering the objection consistent with any schedule it has established for considering any other preliminary question, and shall issue a decision or provisional award on the objection, stating the grounds for its decision or provisional award.

2.

ARTICLE 3.16

Transparency of Proceedings

Annex 8 (Rules on Public Access to Documents, Hearings and the Possibility of Third Persons to Make Submissions) applies to disputes under this Section.

ARTICLE 3.17

The Non-disputing Party to the Agreement

1. The Tribunal shall accept or, after consultation with the disputing parties, may invite, oral or written submissions on issues of treaty interpretation from the non-disputing Party.
2. The Tribunal shall not draw any inference from the absence of any submission or response to any invitation pursuant to paragraph 1.
3. The Tribunal shall ensure that any submission does not disrupt or unduly burden the proceedings, or unfairly prejudice any disputing party.
4. The Tribunal shall also ensure that the disputing parties are given a reasonable opportunity to present their observations on any submission by the non-disputing Party.

ARTICLE 3.18

Awards

1. Where the Tribunal decides that the treatment in dispute is in breach of an obligation under Chapter Two (Investment Protection), the Tribunal may award, separately or in combination, only:¹
 - (a) monetary damages and any applicable interest; and
 - (b) the restitution of property, provided that the respondent may pay monetary damages and any applicable interest, as determined by the Tribunal in accordance with Chapter Two (Investment Protection), in lieu of restitution.
2. Monetary damages shall not be greater than the amount of the loss suffered by the claimant or its locally established company, as applicable, as a result of the breach of the relevant provisions of Chapter Two (Investment Protection), less any prior damages or compensation already provided by the Party concerned. The Tribunal shall not award punitive damages.
3. Where a claim is submitted on behalf of a locally established company, the award shall be made to the locally established company.
4. As a general rule, the Tribunal shall issue a provisional award within 18 months of the date of submission of the claim. Where the Tribunal considers that it cannot issue its provisional award within 18 months, it shall inform the disputing parties in writing of the reasons for the delay, together with an estimate of the period within which it will issue its provisional award. A provisional award shall become final 90 days after it has been issued if neither disputing party has appealed the award to the Appeal Tribunal.

ARTICLE 3.19

¹ For greater certainty, an award shall be made on the basis of a request from the claimant and shall be made after considering any comments of the disputing parties.

Appeal Procedure

1. Either disputing party may appeal a provisional award before the Appeal Tribunal within 90 days of its issuance. The grounds for appeal are:
 - (a) that the Tribunal has erred in the interpretation or application of the applicable law;
 - (b) that the Tribunal has manifestly erred in the appreciation of the facts, including the appreciation of relevant domestic law; or,
 - (c) those provided for in Article 52 of the ICSID Convention, insofar as they are not covered by (a) and (b).
2. If the Appeal Tribunal dismisses the appeal, the provisional award shall become final. The Appeal Tribunal may also dismiss the appeal on an expedited basis where it is clear that the appeal is manifestly unfounded, in which case the provisional award shall become final.
3. If the Appeal Tribunal upholds the appeal, it shall modify or reverse the legal findings and conclusions in the provisional award in whole or in part. The Appeal Tribunal shall refer the matter back to the Tribunal, specifying precisely how it has modified or reversed the relevant findings and conclusions of the Tribunal. The Tribunal shall be bound by the findings and conclusions of the Appeal Tribunal and, after hearing the disputing parties, if appropriate, shall revise its provisional award accordingly. The Tribunal shall seek to issue its revised award within 90 days of the referral of the matter back to it.
4. As a general rule, the appeal proceedings shall not exceed 180 days, calculated from the date on which a disputing party formally notifies its decision to appeal to the date on which the Appeal Tribunal issues its decision. Where the Appeal Tribunal considers that it cannot issue its decision within 180 days, it shall inform the disputing parties in writing of the reasons for the delay, together with an estimate of the period within which it will issue its decision. In no case should the proceedings exceed 270 days.

5. A disputing party lodging an appeal shall provide security for the costs of appeal. The disputing party shall also provide any other security as may be ordered by the Appeal Tribunal.

6. The provisions of Articles 3.8 (Third-Party Funding), Annex 8 (Rules on Public Access to Documents, Hearings and the Possibility of Third Persons to Make Submissions), 3.17 (The Non-disputing Party to the Agreement) and Article 3.21 (Costs) shall apply *mutatis mutandis* in respect of the appeal procedure.

ARTICLE 3.20

Indemnification or Other Compensation

The respondent may not assert, and the Tribunal shall not accept, as a defence, counterclaim, right of set-off, or for any other reason, that the claimant has received or will receive indemnification or other compensation pursuant to an insurance or guarantee contract, for all or part of the damages sought in a dispute initiated under this Section.

ARTICLE 3.21

Costs

1. The Tribunal shall order that the costs of the proceedings are to be borne by the unsuccessful disputing party. In exceptional circumstances, the Tribunal may apportion costs between the disputing parties if it determines that apportionment is appropriate in the circumstances of the case.

2. Other reasonable costs, including costs of legal representation and assistance, shall be borne by the unsuccessful party, unless the Tribunal determines that such apportionment of costs is not appropriate in the circumstances of the case.

3. Where only some parts of the claims have been successful, the costs awarded shall be adjusted, proportionately, to the number or extent of the successful parts of the claims.
4. Where a claim or parts of a claim are dismissed on application of Article 3.14 (Claims Manifestly without Legal Merits) or Article 3.15 (Claims Unfounded as a Matter of Law), the Tribunal shall order that all costs relating to such a claim or to parts thereof, including the costs of the proceedings and other reasonable costs, including costs of legal representation and assistance, shall be borne by the unsuccessful disputing party.
5. The Committee shall consider adopting supplemental rules on fees for the purpose of determining the maximum amount of the costs of legal representation and assistance that may be borne by specific categories of unsuccessful disputing parties. Such supplemental rules shall take into account the financial resources of a claimant which is a natural person or a small or medium-sized enterprise. The Committee shall endeavour to adopt such supplemental rules no later one year after the entry into force of this Agreement.

ARTICLE 3.22

Enforcement of Awards

1. An award rendered pursuant to this section shall not be enforceable until it has become final pursuant to Articles 3.18(4) (Award), 3.19(2) (Appeal Procedure), or 3.19(3) (Appeal Procedure). Final awards issued pursuant to this Section by the Tribunal shall be binding between the disputing parties and shall not be set aside, subject to appeal, review, annulment or any other remedy.¹
2. Each Party shall recognise an award rendered pursuant to this Agreement as binding and enforce the pecuniary obligation within its territory as if it were a final judgement of a court in that Party.

¹ For greater certainty, this does not prevent a disputing party from requesting the Tribunal to revise, correct, or interpret an award, such as pursuant to Articles 50 and 51 ICSID Convention or Articles 37 and 38 of the UNCITRAL Arbitration Rules, or equivalent provisions of other rules, as applicable to the proceedings in question.

3. The execution of the award shall be governed by the laws concerning the execution of judgments or awards in force where such execution is sought.
4. For greater certainty, Article 4.11 (No Direct Effect) of Chapter Four (Institutional, General and Final Provisions) shall not prevent the recognition, execution or enforcement of awards rendered pursuant to this Section.
5. For the purposes of Article I of the New York Convention, final awards issued pursuant to this Section are arbitral awards relating to claims that are considered to arise out of a commercial relationship or transaction.
6. For greater certainty, and subject to paragraph 1, where a claim has been submitted to dispute settlement pursuant to Article 3.6(1)(a) (Submission of Claims to the Tribunal), a final award issued pursuant to this Section shall qualify as an award under Section 6 of Chapter IV of the ICSID Convention.

ARTICLE 3.23

Role of the Parties to the Agreement

1. Neither Party shall give diplomatic protection, or bring an international claim, in respect of a dispute which one of its investors and the other Party have consented to submit, or have submitted, to dispute settlement under this Section, unless such other Party has failed to abide by and comply with the award rendered in that dispute. "Diplomatic protection", for the purposes of this paragraph, does not include informal diplomatic exchanges for the sole purpose of facilitating a settlement of the dispute.
2. For greater certainty, paragraph 1 shall not exclude the possibility of a Party having recourse to dispute settlement procedures under Section B (Resolution of Disputes between Parties) of Chapter Three (Dispute Settlement) in respect of a measure of general application, even if that

measure is alleged to have breached the Agreement as regards a specific investment in respect of which a claim has been submitted pursuant to Article 3.6 (Submission of Claims to the Tribunal) and is without prejudice to Article 3.17 (The Non-disputing Party to the Agreement).

ARTICLE 3.24

Consolidation

1. Where two or more claims that have been submitted separately under Article 3.6 (Submission of Claims to the Tribunal) have a question of law or fact in common and arise out of the same events or circumstances, a disputing party may seek the establishment of a separate division of the Tribunal ("consolidating division") and request that such division issue a consolidation order in accordance with:
 - (a) the agreement of all the disputing parties sought to be covered by the order, in which case the disputing parties shall submit a joint request in accordance with paragraph 3; or
 - (b) paragraphs 2 to 12, provided that only one respondent is sought to be covered by the order.
2. A disputing party seeking a consolidation order shall first deliver a notice to the other disputing parties sought to be covered by the order. This notice shall specify:
 - (a) the names and addresses of all the disputing parties sought to be covered by the order;
 - (b) the claims, or parts thereof, sought to be covered by the order; and
 - (c) the grounds for the order sought.

The disputing parties shall endeavour to agree on the consolidation order sought and on the applicable dispute settlement rules.

3. Where the disputing parties referred to in paragraph 2 have not reached an agreement on consolidation within 30 days of the notice, a disputing party may request a consolidation order under paragraphs 3 through 7. The request shall be in writing and shall be delivered to the President of the Tribunal and all the disputing parties sought to be covered by the order. Such a request shall specify:

- (a) the names and addresses of all the disputing parties sought to be covered by the order;
- (b) the claims, or parts thereof, sought to be covered by the order; and
- (c) the grounds for the order sought.

Where the disputing parties have reached an agreement on consolidation of the claims, they shall submit a joint request to the President of the Tribunal in accordance with this paragraph.

4. Unless the President of the Tribunal finds within 30 days of receiving a request under paragraph 3 that the request is manifestly unfounded, a consolidating division of the Tribunal shall be established in accordance with Article 3.9(8) (Tribunal of First Instance).

5. The consolidating division of the Tribunal shall conduct its proceedings in the following manner:

- (a) unless all disputing parties otherwise agree, where all the claims for which a consolidation order is sought have been submitted under the same dispute settlement rules, the consolidating division shall proceed under the same dispute settlement rules;
- (b) where the claims for which a consolidation order is sought have not been submitted under the same dispute settlement rules:
 - (i) the disputing parties may agree on the dispute settlement rules available under Article 3.6 (Submission of Claims to the Tribunal) which shall apply to the consolidation proceedings; or

- (ii) if the disputing parties cannot agree on the same dispute settlement rules within 30 days of the request made pursuant to paragraph 3, the UNCITRAL arbitration rules shall apply to the consolidation proceedings.

6. Where the consolidating division is satisfied that two or more claims that have been submitted under Article 3.6 (Submission of Claims to the Tribunal) have a question of law or fact in common and arise out of the same events or circumstances, the consolidating division may, in the interest of fair and efficient resolution of the claims, including the consistency of awards, and after hearing the disputing parties, by order:

- (a) assume jurisdiction over, and may hear and determine together, all or part of the claims; or
- (b) assume jurisdiction over, and hear and determine, one or more of the claims, the determination of which it believes would assist in the resolution of the others.

7. Where a consolidating division has been established, a claimant that has submitted a claim under Article 3.6 (Submission of Claims to the Tribunal) and that has not been named in a request made under paragraph 3 may make a written request to the consolidating division that it be included in any order made under paragraph 6. Such request shall comply with the requirements set out in paragraph 3.

8. On application by a disputing party, the consolidating division, pending its decision under paragraph 6, may order that the proceedings of a division established under Article 3.9 (Tribunal of First Instance) be stayed, unless the latter division has already adjourned its proceedings.

9. A division of the Tribunal established under Article 3.9 (Tribunal of First Instance) shall cease to have jurisdiction to decide a claim, or parts of a claim, over which a consolidating division has assumed jurisdiction, and the proceedings of a division established under Article 3.9 (Tribunal of First Instance) shall be stayed or adjourned accordingly.

10. The award of the consolidating division in relation to claims, or parts of claims, over which it has assumed jurisdiction, shall be binding on the divisions established under Article 3.9 (Tribunal of First Instance) in respect of these claims, as of the date on which the award becomes final pursuant to Articles 3.18(4) (Award), 3.19(2) (Appeal Procedure), or 3.19(3) (Appeal Procedure).

11. A claimant may withdraw its claim, or part thereof that is subject to consolidation, from dispute settlement proceedings under this Article, provided that such claim or part thereof may not thereafter be resubmitted under Article 3.6 (Submission of Claims to the Tribunal).

12. At the request of one of the disputing parties, the consolidating division may take such measures as it sees fit in order to preserve the confidentiality of protected information of that disputing party vis-à-vis other disputing parties. Such measures may include allowing the submission of redacted versions of documents that contain protected information to the other disputing parties, or arrangements to hold parts of the hearing in private.

SECTION B

RESOLUTION OF DISPUTES BETWEEN PARTIES

ARTICLE 3.25

Scope

This Section applies to any dispute between the Parties concerning the interpretation and application of the provisions of this Agreement, except as otherwise expressly provided.

ARTICLE 3.26

Consultations

1. The Parties shall endeavour to resolve any dispute concerning the interpretation and application of the provisions referred to in Article 3.25 (Scope) by entering into consultations in good faith with the aim of reaching a mutually agreed solution.
2. A Party shall seek consultations by means of a written request to the other Party, copied to the Committee, which shall give the reasons for requesting consultations, including the identification of the measures at issue, of the applicable provisions referred to in Article 3.25 (Scope), and the reasons for considering the measures as incompatible with such provisions.
3. Consultations shall be held within 30 days of the date of receipt of the request and, unless the Parties agree otherwise, shall take place on the territory of the Party complained against. The consultations shall be deemed to be concluded within 60 days of the date of receipt of the request, unless the Parties agree otherwise. Consultations shall be confidential, and shall be without prejudice to the rights of either Party in any further proceedings.
4. Consultations on matters of urgency shall be held within 15 days of the date of receipt of the request, and shall be deemed to be concluded within 30 days of the date of receipt of the request, unless the Parties agree otherwise.
5. If the Party to which the request is made does not respond to the request for consultations within ten days of the date of its receipt, or if consultations are not held within the timeframes laid down in paragraph 3 or in paragraph 4 respectively, or if consultations have been concluded and no mutually agreed solution has been reached, the complaining Party may request the establishment of an arbitration panel in accordance with Article 3.28 (Initiation of Arbitration Procedure).

ARTICLE 3.27

Mediation

Any Party may request the other Party to enter into a mediation procedure pursuant to Annex 10 (Mediation Procedure for Disputes between Parties) with respect to any measure adversely affecting investment between the Parties.

ARTICLE 3.28

Initiation of Arbitration Procedure

1. Where the Parties have failed to resolve a dispute by recourse to consultations as provided for in Article 3.26 (Consultations), the complaining Party may request the establishment of an arbitration panel in accordance with this Article.
2. The request for the establishment of an arbitration panel shall be made in writing to the Party complained against and to the Committee. The complaining Party shall identify in its request the specific measure at issue, and it shall explain how such measure could constitute a breach of the provisions referred to in Article 3.25 (Scope) in a manner sufficient to clearly present the legal basis for the complaint.

ARTICLE 3.29

Establishment of the Arbitration Panel

1. An arbitration panel shall be composed of three arbitrators.
2. Within five days of the date of receipt of the request referred to in paragraph 1 of Article 3.28 (Initiation of Arbitration Procedure) by the Party complained against, the Parties shall enter into consultations in order to agree on the composition of the arbitration panel.
3. In the event that the Parties are unable to agree on the choice of chairperson of the arbitration panel within ten days of entering into the consultations referred to in paragraph 2, within 20 days of entering into consultations referred to in paragraph 2, the chairperson of the Committee or the chairperson's delegate, shall select one arbitrator who will serve as a chairperson by lot from the list referred to under paragraph 1 of Article 3.44 (Lists of Arbitrators).

4. In the event that the Parties are unable to agree on the arbitrators within ten days of entering into the consultations referred to in paragraph 2:
 - (a) each Party may select one arbitrator, who will not act as a chairperson, from the individuals on the list established under paragraph 2 of Article 3.44 (Lists of Arbitrators), within 15 days of entering into the consultations referred to in paragraph 2; and
 - (b) if either Party fails to select an arbitrator under subparagraph 4(a), the chairperson of the Committee or the chairperson's delegate shall select any remaining arbitrator by lot from among the individuals proposed by that Party pursuant to paragraph 2 of Article 3.44 (Lists of Arbitrators), within 20 days of entering into consultations referred to in paragraph 2.

5. Should the list provided for in paragraph 2 of Article 3.44 (Lists of Arbitrators) not be established at the time required for the purposes of paragraph 4:
 - (a) where both Parties have proposed individuals pursuant to paragraph 2 of Article 3.44 (Lists of Arbitrators), each Party may select one arbitrator, who will not act as a chairperson, from among the individuals proposed, within 15 days of entering into the consultations referred to in paragraph 2. If a Party fails to select an arbitrator, the chairperson of the Committee or the chairperson's delegate shall select the arbitrator by lot from among the individuals proposed by the Party which failed to select its arbitrator; or
 - (b) where only one Party has proposed individuals pursuant to paragraph 2 of Article 3.44 (Lists of Arbitrators), each Party may select one arbitrator, who will not act as a chairperson, from among the individuals proposed, within 15 days of entering into the consultations referred to in paragraph 2. If a Party fails to select an arbitrator, the chairperson of the Committee or the chairperson's delegate shall select the arbitrator by lot from among the individuals proposed.

6. Should the list provided for in paragraph 1 of Article 3.44 (Lists of Arbitrators) not be established at the time required for the purposes of paragraph 3, the chairperson shall be selected by lot from among former Members of the WTO Appellate Body, none of whom shall be natural persons of a Party.

7. The date of establishment of the arbitration panel shall be the date on which the last of the three arbitrators is selected.

8. The replacement of arbitrators shall take place only for the reasons detailed in Rules 18 to 24 of Annex 9 (Rules of Procedure for Arbitration) and in accordance with the procedures thereunder.

ARTICLE 3.30

Preliminary Ruling on Urgency

If a Party so requests, the arbitration panel shall give a preliminary ruling within ten days of its establishment on whether it deems the case to be urgent.

1.

ARTICLE 3.31

Interim Panel Report

The arbitration panel shall issue an interim report to the Parties setting out the findings of fact, the applicability of relevant provisions of this Agreement, and the essential reasons for findings and recommendations, not later than 90 days from the date of establishment of the arbitration panel. Where the arbitration panel considers that this deadline cannot be met, the chairperson of the arbitration panel shall notify the Parties and the Committee in writing, stating the reasons for the delay and the date on which the arbitration panel plans to issue its interim report. Under no circumstances should the arbitration panel issue its interim report later than 120 days after the date of its establishment.

2. Any Party may submit a written request for the arbitration panel to review specific aspects of the interim report within 30 days of its notification.

3. In cases of urgency, the arbitration panel shall make every effort to issue its interim report within half of the period allowed under paragraph 1, and any Party may submit a written request for the arbitration panel to review specific aspects of the interim report within 15 days of its notification.

1.

4. After considering any written comments by the Parties on the interim report, the arbitration panel may modify its report and make any further examination it considers appropriate. The findings of the final ruling of the arbitration panel shall include a sufficient discussion of the arguments made at the interim review stage, and shall clearly address the written comments of the two Parties.

ARTICLE 3.32

Arbitration Panel Ruling

The arbitration panel shall issue its ruling to the Parties and to the Committee within 150 days of the date of the establishment of the arbitration panel. Where it considers that this deadline cannot be met, the chairperson of the arbitration panel shall notify the Parties and the Committee in writing, stating the reasons for the delay and the date on which the arbitration panel plans to issue its ruling. Under no circumstances should the arbitration panel issue its ruling later than 180 days after the date of its establishment.

2. In cases of urgency, the arbitration panel shall make every effort to issue its ruling within 75 days of the date of its establishment. Under no circumstances should the arbitration panel issue its ruling later than 90 days after the date of its establishment.

1.

ARTICLE 3.33

Compliance with the Arbitration Panel Ruling

Each Party shall take any measure necessary to comply in good faith with the ruling of the arbitration panel, and the Parties shall endeavour to agree on the period of time to comply with the ruling.

ARTICLE 3.34

Reasonable Period of Time for Compliance

No later than 30 days after the receipt of the notification of the ruling of the arbitration panel to the Parties, the Party against which the complaint was made shall notify the complaining Party and the Committee of the time it will require to comply with the ruling of the arbitration panel (hereinafter referred to as "reasonable period of time"), if immediate compliance is not possible.

2. If there is disagreement between the Parties on the reasonable period of time for compliance with the ruling of the arbitration panel, within 20 days of the receipt of the notification made under paragraph 1 by the Party complained against, the complaining Party shall request in writing that the original arbitration panel determine the reasonable period of time. Such request shall be notified simultaneously to the other Party and to the Committee. The original

1. arbitration panel shall issue its ruling to the Parties, and shall notify the Committee thereof, within 20 days of the date of the submission of the request.

3. In the event that any member of the original arbitration panel is no longer available, the procedures set out in Article 3.29 (Establishment of the Arbitration Panel) shall apply. The time limit for issuing the ruling shall be 35 days from the date of the submission of the request referred to in paragraph 2.

4. The Party against which the complaint was made shall inform the complaining Party in writing of its progress in complying with the ruling of the arbitration panel at least one month before the expiry of the reasonable period of time.

- 1.
5. The reasonable period of time may be extended by mutual agreement of the Parties.

ARTICLE 3.35

Review of Any Measure Taken to Comply with the Arbitration Panel Ruling

1. The Party complained against shall notify the complaining Party and the Committee, before the end of the reasonable period of time, of any measures that it has taken to comply with the ruling of the arbitration panel.
2. In the event that there is disagreement between the Parties concerning the existence of any measures notified under paragraph 1 or the consistency of such measures with the provisions referred to in Article 3.25 (Scope), the complaining Party may request in writing that the original arbitration panel rule on the matter. Such request shall identify the specific measure at issue and the provisions referred to in Article 3.25 (Scope) with which it considers that measure to be inconsistent, in a manner sufficient to present the legal basis for the complaint clearly. Such request shall also explain how the measure in question is inconsistent with the provisions referred to in Article 3.25 (Scope). The original arbitration panel shall notify its ruling within 45 days of the date of the submission of the request.
3. In the event that any member of the original arbitration panel is no longer available, the procedures set out in Article 3.29 (Establishment of the Arbitration Panel) shall apply. The time limit for issuing the ruling shall be 60 days from the date of the submission of the request referred to in paragraph 2.

ARTICLE 3.36

Temporary Remedies in Case of Non-compliance

1. If the Party complained against fails to notify any measure taken to comply with the ruling of the arbitration panel before the expiry of the reasonable period of time, or if the arbitration panel rules that no such measures were taken or that the measure notified under paragraph 1 of Article 3.35 (Review of Any Measure Taken to Comply with the Arbitration Panel Ruling) is inconsistent with that Party's obligations under the provisions referred to in Article 3.25 (Scope), the Party against which the complaint was made shall enter into negotiations with the complaining Party with a view to reaching a mutually acceptable agreement on compensation.
2. If no agreement on compensation is reached within 30 days of the end of the reasonable period of time, or within 30 days of the issuance of the ruling of the arbitration panel under Article 3.35 (Review of Any Measure Taken to Comply with the Arbitration Panel Ruling) that no measures were taken to comply with the ruling of the arbitration panel or that a measure taken to comply with that ruling is inconsistent with the provisions referred to in Article 3.25 (Scope), the complaining Party shall be entitled, upon notification to the other Party and to the Committee, to take appropriate measures at a level equivalent to the nullification or impairment caused by the violation. The notification shall specify the measures to be taken. The complaining Party may take such measures at any moment after the expiry of ten days after the date of receipt of the notification by the Party complained against, unless the Party complained against has requested arbitration under paragraph 3.
3. If the Party complained against considers that the measures taken by the complaining Party are not equivalent to the nullification or impairment caused by the violation, it may request in writing that the original arbitration panel rule on the matter. Such request shall be notified to the complaining Party and to the Committee before the expiry of the ten-day period referred to in paragraph 2. The original arbitration panel, having sought the opinion of experts, if appropriate, shall notify its ruling on the level of the suspension of obligations to the Parties and to the

1. Committee within 30 days of the date of the submission of the request. Measures shall not be taken until the original arbitration panel has notified its ruling, and any measure shall be consistent with the ruling of the arbitration panel.

4. In the event that any member of the original arbitration panel is no longer available, the procedures laid down in Article 3.29 (Establishment of the Arbitration Panel) shall apply. The period for issuing the ruling shall be 45 days from the date of the submission of the request referred to in paragraph 3.

5. The measures provided for in this Article shall be temporary and shall not be applied after:
 - (a) the Parties have reached a mutually agreed solution pursuant to Article 3.39 (Mutually Agreed Solution); or
 - (b) the Parties have reached an agreement on whether the measure notified under paragraph 1 of Article 3.37 (Review of Any Measure Taken to Comply After the Adoption of Temporary Remedies for Non-Compliance) brings the Party complained against into conformity with the provisions referred to in Article 3.25 (Scope); or
 - (c) any measure found to be inconsistent with the provisions referred to in Article 3.25 (Scope) has been withdrawn or amended so as to bring it into conformity with those provisions, as ruled under paragraph 2 of Article 3.37 (Review of Any Measure Taken to Comply After the Adoption of Temporary Remedies for Non-Compliance).

ARTICLE 3.37

Review of Any Measure Taken to Comply After the Adoption of Temporary Remedies for Non-Compliance

1. The Party complained against shall notify the complaining Party and the Committee of any measure it has taken to comply with the ruling of the arbitration panel and of its request for the termination of the measures applied by the complaining Party.
2. If the Parties do not reach an agreement on whether the notified measure brings the Party complained against into conformity with the provisions referred to in Article 3.25 (Scope) within 30 days of the date of receipt of the notification, the complaining Party shall request in writing that the original arbitration panel rule on the matter. Such request shall be notified simultaneously to the other Party and the Committee. The ruling of the arbitration panel shall be notified to the Parties and the Committee within 45 days of the date of the submission of the request. If the arbitration panel rules that any measure taken to comply is in conformity with the provisions referred to in Article 3.25 (Scope), the measures referred to in Article 3.36 (Temporary Remedies in Case of Non-compliance) shall be terminated.

ARTICLE 3.38

Suspension and Termination of Arbitration Procedures

1. The arbitration panel, at the written request of both Parties, shall suspend its work at any time for a period agreed by the Parties, which shall not exceed twelve months. The arbitration panel shall resume its work at the end of this agreed period at the written request of the complaining Party, or before the end of this agreed period at the written request of both Parties. If the complaining Party does not request the resumption of the arbitration panel's work before the expiry of the agreed period, the dispute settlement procedures initiated pursuant to this Section shall be deemed terminated. Subject to Article 3.45 (Relation with WTO Obligations), the suspension and termination of the arbitration panel's work are without prejudice to the rights of either Party in other proceedings.

- 1.
2. At any time, the Parties may agree in writing to terminate the dispute settlement procedures initiated pursuant to this Section.

ARTICLE 3.39

Mutually Agreed Solution

The Parties may reach a mutually agreed solution to a dispute under this Section at any time. They shall notify the Committee and the arbitration panel, if any, of such solution. If the solution requires approval pursuant to the relevant domestic procedures of either Party, the notification shall refer to this requirement, and the dispute settlement procedure initiated pursuant to this Section shall be suspended. The procedure shall be terminated if such approval is not required or upon notification of the completion of any such domestic procedures.

ARTICLE 3.40

Rules of Procedure

1. Dispute settlement procedures under this Section shall be governed by Annex 9 (Rules of Procedure for Arbitration).
2. Any meetings of the arbitration panel shall be open to the public in accordance with Annex 9 (Rules of Procedure for Arbitration).

ARTICLE 3.41

Submission of Information

1. At the request of a Party, or upon its own initiative, the arbitration panel may obtain information from any source it deems appropriate for the arbitration panel proceedings, including from the Parties involved in the dispute. The arbitration panel also has the right to seek the relevant opinions of experts as it deems appropriate. The arbitration panel shall consult the Parties before choosing such experts. Any information obtained in this manner must be disclosed to the Parties and submitted for their comments.
2. Interested natural and legal persons of the Parties are authorised to submit *amicus curiae* briefs to the arbitration panel in accordance with Annex 9 (Rules of Procedure for Arbitration).

ARTICLE 3.42

Rules of Interpretation

The arbitration panel shall interpret the provisions referred to in Article 3.25 (Scope) in accordance with customary rules of interpretation of public international law, including those codified in the Vienna Convention on the Law of Treaties. Where an obligation under this Agreement is identical to an obligation under the WTO Agreement, the arbitration panel shall take into account any relevant interpretation established in rulings of the WTO Dispute Settlement Body (hereinafter referred to as the "DSB"). The rulings of the arbitration panel cannot add to or diminish the rights and obligations provided in the provisions referred to in Article 3.25 (Scope).

ARTICLE 3.43

Arbitration Panel Decisions and Rulings

1.

1. The arbitration panel shall make every effort to take any decision by consensus. Where, nevertheless, a decision cannot be reached by consensus, the matter at issue shall be decided by majority vote.

2. Any ruling of the arbitration panel shall be binding on the Parties and shall not create any rights or obligations to physical or legal persons. The ruling shall set out the findings of fact, the applicability of the relevant provisions referred to in Article 3.25 (Scope), and the rationale behind any findings and conclusions that it makes. The Committee shall make the ruling of the arbitration panel publicly available in its entirety, unless it decides not to do so in order to ensure the confidentiality of any information designated by either Party as confidential.

ARTICLE 3.44

Lists of Arbitrators

1. Upon the entry into force of this Agreement, the Parties shall establish a list of five individuals who are willing and able to serve as the chairperson of an arbitration panel referred to in Article 3.29 (Establishment of the Arbitration Panel).

2. No later than six months after the entry into force of this Agreement, the Committee shall establish a list of at least ten individuals who are willing and able to serve as arbitrators. Upon the entry into force of this Agreement, each Party shall propose at least five individuals to serve as arbitrators.

3. The Committee shall ensure that the lists of individuals to serve as chairpersons or arbitrators, established pursuant to paragraphs 1 and 2 respectively, are maintained.

4. Arbitrators shall have specialised knowledge of or experience in law and international trade or investment, or in the settlement of disputes arising under international trade agreements. They shall be independent, shall serve in their individual capacities, shall not be affiliated with the government of either Party, and shall comply with Annex 11 (Code of Conduct for Arbitrators and Mediators).

ARTICLE 3.45

Relation with WTO Obligations

1. Recourse to the dispute settlement provisions of this Section shall be without prejudice to any action in the WTO framework, including dispute settlement proceedings.
2. Notwithstanding paragraph 1, where a Party has initiated dispute settlement proceedings with regard to a particular measure, either under this Section or under the WTO Agreement, it shall not institute dispute settlement proceedings regarding the same measure in the other forum until the first proceedings have ended. Moreover, neither Party shall initiate dispute settlement proceedings under both this Section and under the WTO Agreement unless substantially different obligations under both agreements are in dispute, or unless the selected forum fails for procedural or jurisdictional reasons to make findings on the claim seeking redress in relation to that obligation, provided that the failure of the forum is not the result of a failure of a disputing Party to act diligently.
3. For the purposes of paragraph 2:
 - (a) dispute settlement proceedings under the WTO Agreement shall be deemed to be initiated by a Party's request for the establishment of a panel under Article 6 of the Understanding on Rules and Procedures Governing the Settlement of Disputes contained in Annex 2 of the WTO Agreement (hereinafter referred to as the "DSU") and shall be deemed to be ended

1. when the DSB adopts the Panel's report, and the Appellate Body's report as the case may be, under Articles 16 and 17(14) of the DSU; and
- (b) dispute settlement proceedings under this Section shall be deemed to be initiated by a Party's request for the establishment of an arbitration panel under paragraph 1 of Article 3.28 (Initiation of Arbitration Procedure) and shall be deemed to be ended when the arbitration panel issues its ruling to the Parties and to the Committee under paragraph 2 of Article 3.32 (Arbitration Panel Ruling) or when the parties have reached a mutually agreed solution under Article 3.39 (Mutually Agreed Solution).
4. Nothing in this Section shall preclude a Party from implementing the suspension of obligations authorised by the DSB. Neither the WTO Agreement nor the EUSFTA shall be invoked to preclude a Party from taking appropriate measures under Article 3.36 (Temporary Remedies in Case of Non-compliance) of this Section.

ARTICLE 3.46

Time Limits

1. All time limits laid down in this Section, including the limits for the arbitration panels to notify their rulings, shall be counted in calendar days, the first day being the day following the acts or facts to which they refer, unless otherwise specified.
2. Any time limit referred to in this Section may be modified by mutual agreement of the Parties.

Such rules shall be binding on the Tribunal and on the Appeal Tribunal referred to under Chapter Three (Dispute Settlement) Section A (Resolution of Disputes between Investors and Parties), and the arbitration panels referred to under Chapter Three (Dispute Settlement) Section B (Resolution of Disputes between Parties).

ARTICLE 4.2

1. The Parties may take decisions in the Committee, where provided for in this Agreement. The decisions taken in the Committee shall be binding on the Parties, which shall take the measures necessary to implement those decisions.
2. The Committee may make appropriate recommendations, where provided for in this Agreement.
3. The Committee shall draw up its decisions and recommendations by agreement between the Parties.

1.

ARTICLE 4.3

Amendments

1. The Parties may agree to amend this Agreement. Amendments to this Agreement shall enter into force after the Parties have exchanged written notifications certifying that they have completed their respective applicable legal requirements and procedures, as set out in the instrument of amendment.
2. Notwithstanding paragraph 1, the Parties may adopt decisions amending this Agreement in the Committee, where provided for in this Agreement.

ARTICLE 4.4

Prudential Carve-out

1. Nothing in this Agreement shall be construed to prevent a Party from adopting or maintaining reasonable measures for prudential reasons, such as:
 - (a) the protection of investors, depositors, policy-holders or persons to whom a fiduciary duty is owed by a financial service supplier;
 - (b) the maintenance of the safety, soundness, integrity or financial responsibility of financial service suppliers; or

(c) ensuring the integrity and stability of the Party's financial system.

2. These measures shall not be more burdensome than necessary to achieve their aim, and shall not constitute a means of arbitrary or unjustifiable discrimination against financial service suppliers of the other Party in comparison to its own like financial service suppliers, nor shall the measures constitute a disguised restriction on trade in services.

3. Nothing in this Agreement shall be construed as requiring a Party to disclose information relating to the affairs and accounts of individual consumers or to disclose any confidential or proprietary information in the possession of public entities.

ARTICLE 4.5

Security Exceptions

Nothing in this Agreement shall be construed to:

- (a) require a Party to furnish any information, the disclosure of which it considers contrary to its essential security interests;
- (b) prevent a Party from taking any action which it considers necessary for the protection of its essential security interests:
 - (i) connected with the production of or trade in arms, munitions and war materials, and related to traffic in other goods and materials and to economic activities carried out directly or indirectly for the purpose of provisioning a military establishment;
 - (ii) relating to the supply of services as carried out directly or indirectly for the purpose of provisioning a military establishment;

1.
 - (iii) relating to fissionable or fusionable materials, or to the materials from which they are derived; or
 - (iv) taken in time of war or other emergency in international relations, or to protect critical public infrastructure (this relates to communications, power or water infrastructure providing essential goods or services to the general public) from deliberate attempts to disable or disrupt it;
- (c) prevent a Party from taking any action for the purpose of maintaining international peace and security.

ARTICLE 4.6

Taxation

1. This Agreement shall only apply to taxation measures insofar as such application is necessary to give effect to the provisions of this Agreement.¹
2. Nothing in this Agreement shall affect the rights and obligations of the Union or any of the Member States of the Union, or the right and obligations of Singapore, under any tax agreement between the Union and Singapore or between any of the Member States of the Union and Singapore. In the event of any inconsistency between this Agreement and any such agreement, that agreement shall prevail to the extent of the inconsistency. In the case of a tax agreement between

¹ The term "provisions of this Agreement" means the provisions that accord:

- (a) non-discriminatory treatment to investors in the manner and to the extent provided for in Article 2.3 (National Treatment); and
- (b) protection to investors and their investments against expropriation in the manner and to the extent provided for in Article 2.6 (Expropriation).

the Union and Singapore or between any of the Member States of the Union and Singapore, the competent authorities under that agreement shall have sole responsibility for determining whether any inconsistency exists between this Agreement and that agreement.

3. Nothing in this Agreement shall prevent a Party from adopting or maintaining any taxation measure which differentiates between taxpayers based on rational criteria, such as taxpayers who are not in the same situation, in particular with regard to their place of residence or with regard to the place where their capital is invested.¹

4. Nothing in this Agreement shall prevent the adoption or maintenance of any measure aimed at preventing the avoidance or evasion of taxes pursuant to the tax provisions of agreements for the avoidance of double taxation or other tax arrangements or domestic fiscal legislation.

5. Nothing in this Agreement shall prevent Singapore from adopting or maintaining taxation measures which are necessary to protect Singapore's overriding public policy interests arising out of its specific constraints of space.

ARTICLE 4.7

Specific Exception

Nothing in this Agreement applies to activities conducted by a central bank or monetary authority or by any other public entity in pursuit of monetary or exchange rate policies.

¹ For greater certainty, the Parties share an understanding that nothing in this Agreement shall prevent any taxation measure aimed at social welfare, public health or other socio-community objectives, or at macroeconomic stability; or tax benefits linked to place of incorporation and not the nationality of the person owning the company. Taxation measures aimed at macroeconomic stability are measures in reaction to movements and trends in the national economy to address or to prevent systemic imbalances which seriously threaten the stability of the national economy.

1.

ARTICLE 4.8

Sovereign Wealth Funds

Each Party shall encourage its sovereign wealth funds to respect the Generally Accepted Principles and Practices – Santiago Principles.

ARTICLE 4.9

Disclosure of Information

1. Nothing in this Agreement shall be construed as requiring a Party to make available confidential information, the disclosure of which would impede law enforcement, would otherwise be contrary to the public interest, or would prejudice the legitimate commercial interests of particular enterprises, whether public or private.
2. Where a Party submits information to the Committee which is considered as confidential under its laws and regulations, the other Party shall treat that information as confidential, unless the submitting Party agrees otherwise.

ARTICLE 4.10

Fulfilment of Obligations

Each Party shall take any general or specific measures required to fulfil their obligations under this Agreement. They shall see to it that the objectives set out in this Agreement are attained.

ARTICLE 4.11

No Direct Effect

For greater certainty, nothing in this Agreement shall be construed as conferring rights or imposing obligations on any persons, other than those rights and obligations created between the Parties under public international law.

ARTICLE 4.12

Relationship with other Agreements

1. This Agreement shall be an integral part of the overall relations between the Union and its Member States, of the one part, and Singapore, of the other part, as governed by the Partnership and Cooperation Agreement and shall form part of a common institutional framework. It constitutes a specific agreement giving effect to the trade and investment provisions of the Partnership and Cooperation Agreement.
2. For greater certainty, the Parties agree that nothing in this Agreement requires them to act in a manner inconsistent with their obligations under the WTO Agreement.
3. (a) Upon the entry into force of this Agreement, the agreements between Member States of the Union and Singapore listed in Annex 5 (Agreements Referred to in Article 4.12), including the rights and obligations derived from those agreements, shall be terminated and cease to have effect, and shall be replaced and superseded by this Agreement.

(b) In the event that this Agreement is provisionally applied in accordance with paragraph 4 of Article 4.15 (Entry into Force), the application of the provisions of the agreements

1.

listed in Annex 5 (Agreements Referred to in Article 4.12), as well as the rights and obligations derived from those agreements, shall be suspended as of the date of provisional application. In the event that the provisional application of this Agreement is terminated and this Agreement does not enter into force, the suspension shall cease and the agreements listed in Annex 5 (Agreements Referred to in Article 4.12) shall have effect.

- (c) Notwithstanding subparagraphs 3(a) and 3(b), a claim may be submitted pursuant to the provisions of an agreement listed in Annex 5 (Agreements Referred to in Article 4.12), regarding treatment accorded while such agreement was in force, pursuant to the rules and procedures established in that agreement, and provided that no more than three years have elapsed since the date of suspension of the agreement pursuant to subparagraph 3(b), or, if the agreement is not suspended pursuant to subparagraph 3(b), the date of entry into force of this Agreement.
- (d) Notwithstanding subparagraphs 3(a) and 3(b), if the provisional application of this Agreement is terminated and this Agreement does not enter into force, a claim may be submitted pursuant to Chapter Three (Dispute Settlement), Section A (Resolution of Disputes between Investors and Parties), regarding treatment accorded during the period of the provisional application of this Agreement, provided no more than three years have elapsed since the date of termination of the provisional application.

For the purposes of this paragraph, the definition of "entry into force of this Agreement" provided in subparagraph 4(d) of Article 4.15 (Entry into Force) shall not apply.

ARTICLE 4.13

Territorial Application

This Agreement shall apply:

- (a) with respect to the EU Party, to the territories in which the Treaty on European Union and the Treaty on the Functioning of the European Union apply, and under the conditions laid down in those Treaties; and
- (b) with respect to Singapore, to its territory.

References to "territory" in this Agreement shall be understood in this sense, except as otherwise expressly provided.

ARTICLE 4.14

Annexes and Understandings

The Annexes and Understandings to this Agreement shall form an integral part thereof.

ARTICLE 4.15

Entry into Force

1. This Agreement shall be approved by the Parties in accordance with their own procedures.
2. This Agreement shall enter into force on the first day of the second month following that in which the Parties exchange written notifications certifying that they have completed their respective applicable legal requirements and procedures for the entry into force of this Agreement. The Parties may agree on another date.

- 1.
3. Notifications shall be sent to the Secretary General of the Council of the Union and to the Director, North America and Europe Division, Singapore Ministry of Trade and Industry, or their respective successors.
4. (a) This Agreement may be provisionally applied if the Parties so agree. In this case, the Agreement shall apply from the first day of the month following the date on which the Union and Singapore have notified each other of the completion of their respective relevant procedures. The Parties may agree on another date.

(b) In the event that certain provisions of this Agreement cannot be provisionally applied, the Party which cannot undertake such provisional application shall notify the other Party of the provisions which cannot be provisionally applied.

Notwithstanding subparagraph 4(a), provided the other Party has completed the necessary procedures and does not object to provisional application within ten days of the notification that certain provisions cannot be provisionally applied, the provisions of this Agreement which have not been notified shall be provisionally applied the first day of the month following the notification.

- (c) The Union or Singapore may terminate provisional application by written notice to the other Party. Such termination shall take effect on the first day of the second month following notification.
- (d) Where this Agreement, or certain provisions thereof, is provisionally applied, the term "entry into force of this Agreement" shall be understood to mean the date of provisional application. The Committee may exercise their functions during the provisional application of this Agreement. Any decisions adopted in the exercise of these functions

will only cease to be effective if the provisional application of this Agreement is terminated and this Agreement does not enter into force.

ARTICLE 4.16

Duration

1. This Agreement shall be valid indefinitely.
2. Either the EU Party or Singapore may notify in writing the other Party of its intention to terminate this Agreement.
3. This Agreement shall be terminated six months after the notification under paragraph 2, without prejudice to Article 4.17 (Termination).
4. Within 30 days of the delivery of a notification under paragraph 2, either Party may request consultations regarding whether the termination of any provision of this Agreement should take effect at a later date than that provided for under paragraph 3. Such consultations shall commence within 30 days of a Party's delivery of such request.

ARTICLE 4.17

Termination

In the event that this Agreement is terminated pursuant to Article 4.16 (Duration), this Agreement shall continue to be effective for a further period of twenty years from that date in respect of covered investments made before the date on which this Agreement was terminated. This Article shall not apply in the case where the provisional application of this Agreement is terminated and this Agreement does not enter into force.

1.

ARTICLE 4.18

1. The Union shall notify Singapore without undue delay of any request for accession of a third country to the Union.

2. During the negotiations between the Union and a candidate country seeking accession, the Union shall endeavour to:

- (a) to the extent possible, provide to Singapore any information that Singapore requests regarding any matter covered by this Agreement; and
- (b) take into account any concerns expressed by Singapore.

3. The Union shall inform Singapore as soon as feasible about the outcome of accession negotiations with a candidate country, and shall notify Singapore of the entry into force of any accession to the Union.

4. In the context of the Committee, and sufficiently in advance to the date of accession of a third country to the Union, the Parties shall examine possible effects of such accession on this Agreement. The Parties may, by decision in the Committee, put in place any necessary adjustments or transition arrangements.

5. Any new Member State of the Union shall accede to this Agreement by depositing an act of accession to this Agreement with the Secretary General of the Council of the Union and the

Director, North America and Europe Division, Singapore Ministry of Trade and Industry, or their respective successors.

EXPROPRIATION

The Parties confirm their shared understanding that:

1. Article 2.6 (Expropriation) addresses two situations. The first is direct expropriation, where a covered investment is nationalised or otherwise directly expropriated through formal transfer of title or outright seizure. The second is indirect expropriation, where a measure or series of measures by a Party has an effect equivalent to direct expropriation in that it substantially deprives the covered investor of the fundamental attributes of property in its covered investment, including the right to use, enjoy and dispose of its covered investment, without formal transfer of title or outright seizure.
2. The determination of whether a measure or series of measures by a Party, in a specific situation, constitutes an indirect expropriation requires a case-by-case, fact-based inquiry that considers, among other factors:
 - (a) the economic impact of the measure or series of measures and its duration, although the fact that a measure or a series of measures by a Party has an adverse effect on the economic value of an investment, standing alone, does not establish that an indirect expropriation has occurred;

1.

- (b) the extent to which the measure or series of measures interferes with the possibility to use, enjoy or dispose of the property; and
- (c) the character of the measure or series of measures, notably its object, context and intent.

For greater certainty, except in the rare circumstance where the impact of a measure or series of measures is so severe in light of its purpose that it appears manifestly excessive, nondiscriminatory measure or series of measures by a Party that are designed and applied to protect legitimate public policy objectives such as public health, safety and the environment, do not constitute indirect expropriation.

EU/SG/Annex 1/en 2

ANNEX 2

LAND EXPROPRIATION

EU/SG/en 29

- 1.
1. Notwithstanding Article 2.6 (Expropriation), where Singapore is the expropriating Party, any measure of expropriation relating to land, which shall be as defined in the Land Acquisition Act (Chapter 152)¹, shall be upon payment of compensation at market value in accordance with the aforesaid legislation.
2. For the purposes of this Agreement, any measure of expropriation under the Land Acquisition Act (Chapter 152) should be for a public purpose or incidental to a public purpose.

¹ Land Acquisition Act (Chapter 152) as of the date of the entry into force of this Agreement.

1.

ANNEX 3

EXPROPRIATION AND INTELLECTUAL PROPERTY RIGHTS

For greater certainty, the revocation, limitation or creation of intellectual property rights, to the extent that the measure is consistent with the TRIPS Agreement and Chapter Ten (Intellectual Property) of EUSFTA, does not constitute expropriation. Moreover, a determination that the measure is inconsistent with the TRIPS Agreement and Chapter Ten (Intellectual Property) of EUSFTA does not establish that there has been an expropriation.

PUBLIC DEBT

1. No claim that a restructuring of debt of a Party breaches an obligation of Chapter Two (Investment Protection) may be submitted, or if already submitted, be pursued under Section A (Resolution of Disputes between Investors and Parties) of Chapter Three (Dispute Settlement) if the restructuring is a negotiated restructuring at the time of submission or becomes a negotiated restructuring after such submission, except for a claim that the restructuring violates Article 2.3 (National Treatment)¹.

2. Notwithstanding Article 3.6 (Submission of Claims to the Tribunal) under Chapter Three (Dispute Settlement) Section A (Resolution of Disputes between Investors and Parties), and subject to paragraph 1 of this Annex, an investor may not submit a claim under Chapter Three (Dispute Settlement) Section A (Resolution of Disputes between Investors and Parties) that a restructuring of debt of a Party breaches an obligation under Chapter Two (Investment Protection) other than Article 2.3 (National Treatment), unless 270 days have elapsed from the date of submission by the claimant of the written request for consultations pursuant to Article 3.3 (Consultations) under Chapter Three (Dispute Settlement) Section A (Resolution of Disputes between Investors and Parties).

¹ For the purpose of this Annex, the mere fact that the relevant treatment distinguishes between investors or investments on the basis of legitimate public policy objectives in the context of a debt crisis or threat thereof does not amount to a breach of Article 2.3 (National Treatment).

3. For the purposes of this Annex:

"negotiated restructuring" means the restructuring or rescheduling of debt of a Party that has been effected through (i) a modification or amendment of debt instruments, as provided for under their terms, including their governing law, or (ii) a debt exchange or other similar process in which the holders of no less than 75 % of the aggregate principal amount of the outstanding debt subject to restructuring have consented to such debt exchange or other process;

"governing law" of a debt instrument means a jurisdiction's legal and regulatory framework applicable to that debt instrument.

4. For greater certainty, "debt of a Party" includes, in the case of the Union, debt of a government of a Member State of the Union, or of a Government in a Member State of the Union, at the central, regional or local level.

**MEDIATION MECHANISM
FOR DISPUTES BETWEEN INVESTORS AND PARTIES**

ARTICLE 1

Objective

The objective of the mediation mechanism is to facilitate the finding of a mutually agreed solution through a comprehensive and expeditious procedure with the assistance of a mediator.

SECTION A

PROCEDURE UNDER THE MEDIATION MECHANISM

ARTICLE 2

Initiation of the Procedure

1. At any time, the disputing party may request the initiation of a mediation procedure. Such request shall be addressed to the other party in writing.

2. The party to which such request is addressed shall give sympathetic consideration to the request and reply by accepting or rejecting it in writing within ten days of its receipt.

3. Where the request relates to any treatment by an institution, body or agency of the Union or by any Member State of the Union, and no respondent has been determined pursuant to paragraph 2 of Article 3.5 (Notice of Intent), the request shall be addressed to the Union. If the Union accepts the request, the response shall specify whether the Union or the Member State of the Union concerned will be a party to the mediation procedure.¹

ARTICLE 3

Selection of the Mediator

1. The disputing parties shall endeavour to agree on a mediator no later than 15 days after the receipt of the reply to the request referred to in paragraph 2 of Article 2 (Initiation of the Procedure) of this Annex. Such agreement may include appointing a mediator from the Members of the Tribunal established according to Article 3.9 (Tribunal of First Instance).

¹ For greater certainty, where the request concerns treatment by the Union, the party to the mediation shall be the Union and any Member State of the Union concerned shall be fully associated in the mediation. Where the request concerns exclusively treatment by a Member State of the Union, the party to the mediation shall be the Member State of the Union concerned, unless it requests the Union to be party.

2. If the disputing parties cannot agree on the mediator pursuant to paragraph 1, either disputing party may request the President of the Tribunal to select the mediator by lot from the Members of the Tribunal established pursuant to Article 3.9 (Tribunal of First Instance). The President of the Tribunal shall select the mediator within ten working days of the request by either disputing party.
3. The mediator shall not be a national of either Party, unless the disputing parties agree otherwise.
4. The mediator shall assist the disputing parties, in an impartial and transparent manner, in bringing clarity to the measure and its possible adverse effects on investment, and in reaching a mutually agreed solution.

ARTICLE 4

Rules of the Mediation Procedure

1. Within ten days of the appointment of the mediator, the disputing party having invoked the mediation procedure shall present a detailed written description of the problem to the mediator and to the other disputing party, describing in particular the operation of the measure at issue and its adverse effects on investment. Within 20 days of the date of delivery of that submission, the other disputing party may provide its written comments on the description of the problem. Either disputing party may include any information that it deems relevant in its description of the problem or its comments thereon.

2. The mediator may decide on the most appropriate way of bringing clarity to the measure concerned and its possible adverse effects on investment. In particular, the mediator may organise meetings between the disputing parties, may consult the disputing parties jointly or individually, may seek the assistance of or consult with relevant experts and stakeholders, and may provide any additional support requested by the disputing parties. However, before seeking the assistance of or consulting with relevant experts and stakeholders, the mediator shall consult with the disputing parties.
3. The mediator may offer advice and may propose a solution for the consideration of the disputing parties, who may accept or reject the proposed solution or may agree on a different solution. However, the mediator shall not advise or give comments on whether the measure at issue is consistent with Chapter Two (Investment Protection).
4. The mediation procedure shall take place in the territory of the disputing party to which the request was addressed, or by mutual agreement, at any other location or by any other means.
5. The disputing parties shall endeavour to reach a mutually agreed solution within 60 days of the appointment of the mediator. Pending a final agreement, the disputing parties may consider possible interim solutions.
6. Mutually agreed solutions shall be made publicly available. However, the version disclosed to the public may not contain any information that a disputing party has designated as confidential.

7. The mediation procedure shall be terminated:
- (a) by the adoption of a mutually agreed solution by the disputing parties, in which case the mediation procedure shall terminate on the date of adoption;
 - (b) by the mutual agreement of the disputing parties at any stage of the mediation procedure, in which case the mediation procedure shall terminate on the date of that agreement;
 - (c) by the written declaration of the mediator, after having consulted with the disputing parties, that further efforts at mediation would be to no avail, in which case the mediation procedure shall terminate on the date of such declaration; or
 - (d) by the written declaration of either disputing party after having explored mutually agreed solutions under the mediation procedure and after having considered any advice and proposed solutions by the mediator, in which case the mediation procedure shall terminate on the date of that declaration.

SECTION B

IMPLEMENTATION

ARTICLE 5

Implementation of a Mutually Agreed Solution

1. Where the disputing parties have agreed to a solution, each disputing party shall take the measures necessary to implement the mutually agreed solution within the agreed timeframe.
2. The implementing disputing party shall inform the other disputing party in writing of any steps or measures taken to implement the mutually agreed solution.
3. At the request of the disputing parties, the mediator shall issue to the disputing parties a draft written factual report, which shall provide a brief summary of: (i) the measure at issue in these proceedings; (ii) the procedures followed; and (iii) any mutually agreed solution reached as the final outcome of these proceedings, including possible interim solutions. The mediator shall provide the disputing parties 15 days to comment on the draft report. After considering the comments of the disputing parties submitted within that period, the mediator shall submit a final written factual report to the disputing parties within 15 days. The final written factual report shall not include any interpretation of this Agreement.

SECTION C

GENERAL PROVISIONS

ARTICLE 6

Relationship to Dispute Settlement

1. The mediation procedure is not intended to serve as a basis for dispute settlement procedures under this Agreement or any other agreement. A disputing party shall not rely on or introduce as evidence in such dispute settlement procedures, nor shall any adjudicatory body, tribunal or panel take into consideration:
 - (a) positions taken by a disputing party in the course of the mediation procedure;
 - (b) the fact that a disputing party has indicated its willingness to accept a solution to the measure subject to mediation; or
 - (c) advice given or proposals made by the mediator.

2. The mediation mechanism is without prejudice to the legal positions of the Parties and the disputing parties under Chapter Three (Dispute Settlement) Section A (Resolution of Disputes between Investors and Parties) or Section B (Resolution of Disputes between Parties).

3. Without prejudice to paragraph 6 of Article 4 (Rules of the Mediation Procedure) of this Annex, and unless the disputing parties agree otherwise, all steps of the mediation procedure, including any advice that may be given or solution that may be proposed, are confidential. However, either disputing party may disclose to the public the fact that mediation is taking place.

ARTICLE 7

Time Limits

Any time limit referred to in this Annex may be modified by mutual agreement between the disputing parties.

ARTICLE 8

Costs

1. Each disputing party shall bear its own expenses arising from the participation in the mediation procedure.

2. The disputing parties shall share the expenses that arise from organisational matters equally, including the remuneration and expenses of the mediator. The fees and expenses of the mediators shall be in accordance with those determined pursuant to Regulation 14(1) of the Administrative and Financial Regulations of the ICSID Convention in force on the date of the initiation of the mediation.

2. A third person wishing to make a submission shall apply to the Tribunal, providing the following written information in a language of the proceedings, in a concise manner, and within such page limits as may be set by the Tribunal:

6. The Tribunal shall ensure that the disputing parties are given a reasonable opportunity to present their observations on any submission by a third person.

ARTICLE 4

1. Confidential or protected information, as defined in paragraph 2, that has been identified in accordance with this Article, shall not be made available to the public.
2. Confidential or protected information consists of:
 - (a) confidential business information;

 - (c) promptly or within the time set by the Tribunal, submit a redacted version of the document that does not contain such information.

4. Where a document other than an order or decision of the Tribunal is to be made available to the public pursuant to a decision of the Tribunal under paragraph 2 of Article 1 of this Annex, within 30 days of the Tribunal's decision that the document is to be made available to the public, the disputing party, non-disputing Party or third person who has submitted the document shall indicate whether it contends that the document contains information which must be protected from disclosure and submit a redacted version of the document that does not contain the said information.

5. Where a redaction is proposed under paragraph 4, any disputing party other than the person who submitted the document in question may object to the proposed redaction or propose that the document be redacted differently. Any such objection or counter-proposal shall be made within 30 days of receipt of the proposed redacted document.

6. Where an order, decision or award of the Tribunal is to be made available to the public pursuant to paragraph 1 of Article 1 of this Annex, the Tribunal shall give all disputing parties an opportunity to make submissions as to the extent to which the document contains information which must be protected from publication and to propose redaction of the document to prevent the publication of the said information.
7. The Tribunal shall rule on all questions relating to the proposed redaction of documents under paragraphs 3 to 6, and shall determine, in the exercise of its discretion, the extent to which any information contained in documents which are to be made available to the public, should be redacted.
8. If the Tribunal determines that information should not be redacted from a document pursuant to paragraphs 3 to 6, or that a document should not be prevented from being made available to the public, within 30 days of the Tribunal's determination, the disputing party, non-disputing Party or third person that voluntarily submitted the document into the record may:
 - (a) withdraw all or part of the document containing such information from the record of the proceedings; or
 - (b) resubmit the document in a form which complies with the Tribunal's determination.
9. Any disputing party that intends to use information which it contends is confidential or protected information in a hearing shall so advise the Tribunal. The Tribunal, after consultation with the disputing parties, shall decide whether that information should be

protected and shall make arrangements to prevent any protected information from becoming public in accordance with Article 2 of this Annex.

10. Information shall not be made available to the public where the information, if made available to the public, would jeopardise the integrity of the dispute settlement process as determined pursuant to paragraph 11.

11. The Tribunal, on its own initiative or upon the application of a disputing party, after consultation with the disputing parties where practicable, may take appropriate measures to restrain or delay the publication of information where such publication would jeopardise the integrity of the dispute settlement process:
 - (a) because it could hamper the collection or production of evidence; or

 - (b) because it could lead to the intimidation of witnesses, lawyers acting for disputing parties, or members of the Tribunal; or

 - (c) in comparably exceptional circumstances.

ARTICLE 5

The Secretary-General of the United Nations, through the UNCITRAL Secretariat, shall act as repository and shall make available to the public information pursuant to this Annex.

15. The drafting of any ruling shall remain the exclusive responsibility of the arbitration panel, and shall not be delegated.
16. Where a procedural question arises that is not covered by Chapter Three (Dispute Settlement) Section B (Resolution of Disputes between Parties) and its Annexes, the arbitration panel, after consulting the Parties, may adopt an appropriate procedure that is compatible with those provisions.
17. Where the arbitration panel considers that there is a need to modify any time limit applicable to the proceedings or to make any other procedural or administrative adjustment, it shall inform the Parties in writing of the reasons for the change or adjustment and of the period or adjustment needed.

Replacement

18. If an arbitrator is unable to participate in the proceeding, withdraws, or must be replaced, a replacement shall be selected in accordance with Article 3.29 (Establishment of the Arbitration Panel).
19. Where a Party considers that an arbitrator should be replaced because he or she does not comply with the requirements of the Code of Conduct under Annex 11 (hereinafter referred to as "Code of Conduct"), that Party should notify the other Party within 15 days from the time at which it came to know of the circumstances underlying the arbitrator's non-compliance with the Code of Conduct.
20. Where a Party considers that an arbitrator other than the chairperson does not comply with the requirements of the Code of Conduct, the Parties shall consult and, if they so agree, replace the arbitrator and select a replacement following the procedure set out in Article 3.29 (Establishment of the Arbitration Panel).
21. If the Parties fail to agree on the need to replace an arbitrator, any Party may request that such matter be referred to the chairperson of the arbitration panel, whose decision shall be final.

If, pursuant to such a request, the chairperson finds that an arbitrator did not comply with the requirements of the Code of Conduct, a new arbitrator shall be selected.

The Party which had selected the arbitrator who needs to be replaced shall select one arbitrator from among the remaining relevant individuals on the list established under

paragraph 2 of Article 3.44 (Lists of Arbitrators). If the Party fails to select an arbitrator within five days of the finding of the chairperson of the arbitration panel, the chair of the Committee or the chair's delegate shall select an arbitrator by lot from the remaining relevant individuals on the list established under paragraph 2 of Article 3.44 (Lists of Arbitrators) within ten days of the finding of the chairperson of the arbitration panel.

Should the list provided for in paragraph 2 of Article 3.44 (Lists of Arbitrators) not be established at the time required pursuant to paragraph 4 of Article 3.29 (Establishment of the Arbitration Panel), the Party which had selected the arbitrator who needs to be replaced or, if that Party fails, the chairperson of the Committee or the chairperson's delegate, shall select an arbitrator within five days of the finding of the chairperson of the arbitration panel where:

- (a) the Party had failed to propose individuals, from among the remaining individuals proposed by the other Party pursuant to paragraph 2 of Article 3.44 (Lists of Arbitrators); or
- (b) the Parties had failed to agree on a list of names pursuant to Article paragraph 2 of Article 3.44 (Lists of Arbitrators), from among the individuals the Party had proposed pursuant to paragraph 2 of Article 3.44 (Lists of Arbitrators).

22. Where a Party considers that the chairperson of the arbitration panel does not comply with the requirements of the Code of Conduct, the Parties shall consult and, if they so agree, replace the chairperson and select a replacement following the procedure set out in Article 3.29 (Establishment of the Arbitration Panel)

23. If the Parties fail to agree on the need to replace the chairperson of the arbitration panel, any Party may request that such matter be referred to a neutral third party. If the Parties are unable to agree on a neutral third party, such matter shall be referred to one of the remaining members on the list referred to under paragraph 1 of Article 3.44 (Lists of Arbitrators). Her or his name shall be selected by lot by the chairperson of the Committee or by the chairperson's delegate. The decision by this person on the need to replace the chairperson of the arbitration panel shall be final.

If this person decides that the original chairperson of the arbitration panel did not comply with the requirements of the Code of Conduct, the Parties shall agree on the replacement. If the Parties fail to agree on a new chairperson of the arbitration panel, the chairperson of the Committee, or the chairperson's delegate, shall select a new chairperson by lot from among the remaining members on the list referred to under paragraph 1 of Article 3.44 (Lists of Arbitrators). The remaining members on the list shall exclude, where relevant, the person who decided that the original chairperson did not comply with the requirements of the Code of Conduct. The selection of the new chairperson shall be done within five days of the finding of the need to replace the chairperson.

also be made publicly available by the Party in charge of the logistical administration of the proceedings, unless the hearing is closed to the public. Unless a Party disagrees, the arbitration panel may decide not to convene a hearing.

26. Unless the Parties agree otherwise, the hearing shall be held in Brussels if the complaining Party is Singapore and in Singapore if the complaining Party is the Union.
27. The arbitration panel may convene additional hearings if the Parties so agree.
28. All arbitrators shall be present during the entirety of any hearings.
29. The following persons may attend the hearing, irrespective of whether the proceedings are open to the public or not:
 - (a) representatives of the Parties;

No later than five days before the date of a hearing, each Party shall simultaneously deliver to the arbitration panel and to the other Party a list of the names of persons who will make oral arguments or presentations at the hearing on behalf of that Party and of other representatives or advisers who are to attend the hearing.

31. The hearings of the arbitration panels shall be open to the public, unless the Parties decide that the hearings shall be partially or completely closed to the public. Where the hearings are open to the public, unless the Parties agree otherwise, the following shall apply:
 - (a) public viewing shall take place via simultaneous closed circuit television broadcast to a separate viewing room at the venue of the arbitration;
 - (b) registration for public viewing of the hearings shall be required;
 - (c) no audio or video recording or photography shall be permitted in the viewing room;
 - (d) the panel shall have the right to call for a closed session of any of the hearings in order to address issues related to any confidential information.

The arbitration panel shall meet in closed session where the submission and arguments of a Party contains confidential information. Exceptionally, the panel shall have the right to conduct the hearing in a closed session at any time on its own initiative or at the request of either Party.

32. The arbitration panel shall conduct the hearing in the following manner, ensuring that the complaining Party and the Party complained against are afforded equal time:

Submissions

- (a) submission of the complaining Party;

- (b) counter-rebuttal of the Party complained against.

33. The arbitration panel may put questions to either Party at any time during the hearing.
34. The arbitration panel shall arrange for a transcript of each hearing to be prepared and delivered to the Parties as soon as possible.
35. Each Party may submit to the arbitration panel and simultaneously to the other Party a supplementary written submission concerning any matter that arose during the hearing within ten days of the date of the hearing.

Questions in writing

36. The arbitration panel may address written questions at any time during the proceedings to one or both Parties. Each of the Parties shall receive a copy of any written questions put by the arbitration panel.

37. Each Party shall provide a copy of its written response to the arbitration panel's questions simultaneously to the arbitration panel and to the other Party. Each Party shall be given the opportunity to provide written comments on the other Party's response within five days of the date of receipt.

Confidentiality

38. Where arbitration panel hearings are held in closed session, in accordance with Rule 31 of this Annex, the Parties and their advisers shall maintain the confidentiality of the hearings, the deliberations, the interim panel report, all written submissions to the panel, and all communications with the panel. Each Party and its advisers shall treat as confidential any information submitted by the other Party to the arbitration panel, where that Party has designated such information as confidential. Where a Party's submission to the arbitration panel contains confidential information, that Party shall also provide, upon the request of the other Party, within 15 days, a non-confidential version of the submission that could be disclosed to the public. Nothing in this Annex shall preclude a Party from disclosing statements of its own positions to the public, when making reference to information submitted by the other Party, to the extent that it does not disclose any information designated by the other Party as confidential.

Ex parte contacts

39. The arbitration panel shall not meet, hear or otherwise contact a Party in the absence of the other Party.
40. No arbitrators may discuss any aspect of the subject matter of the proceedings with a Party or with the Parties in the absence of the other arbitrators.

Amicus curiae submissions

41. Unless the Parties agree otherwise within three days of the date of the establishment of the arbitration panel, the arbitration panel may consider unsolicited written submissions from interested natural or legal persons of the Parties, provided that those submissions are made within ten days of the date of the establishment of the arbitration panel, that they are concise and in no case are longer than 15 typed pages, including any annexes, and that they are directly relevant to the factual issue under consideration by the arbitration panel.
42. The submission shall contain a description of the person making the submission, whether natural or legal, including the person's nationality or place of establishment, the nature of the person's activities and the source of the person's financing, and shall specify the nature of the interest that the person has in the arbitration proceeding. It shall be submitted in the languages chosen by the Parties in accordance with Rule 45 of this Annex.
43. The arbitration panel shall list in its ruling all the submissions it has received that conform to Rules 41 and 42 of this Annex. The arbitration panel shall not be obliged to address in its ruling the arguments made in such submissions. Any submission obtained by the arbitration panel under this Annex shall be submitted to the Parties for their comments.

Urgent cases

44. In cases of urgency referred to in Chapter Three (Dispute Settlement) Section B (Resolution of Disputes between Parties), the arbitration panel, after consulting the Parties, shall adjust the time limits referred to in this Annex as appropriate and shall notify the Parties of such adjustments.

Translation and interpretation

45. During the consultations referred to in Article 3.26 (Consultations), and no later than the meeting referred to in Rule 9(b) of this Annex, the Parties shall endeavour to agree on a common working language for the proceedings before the arbitration panel.
46. Any Party may provide comments on any translated version of a document drawn up in accordance with this Annex.
47. In the event of any divergence over the interpretation of this Agreement, the arbitration panel shall take account of the fact that this Agreement was negotiated in English.

Calculation of time-limits

48. Where, by reason of the application of Rule 8 of this Annex, a Party receives a document on a date other than the date on which this document is received by the other Party, any period of time that is calculated on the basis of the date of receipt of that document shall be calculated from the last date of receipt of that document.

Other procedures

49. This Annex also applies to procedures under paragraph 2 of Article 3.34 (Reasonable Period of Time for Compliance), paragraph 2 of Article 3.35 (Review of Any Measure Taken to Comply with the Arbitration Panel Ruling), paragraph 3 of Article 3.36 (Temporary Remedies in Case of Non-compliance), paragraph 2 of Article 3.37 (Review of Any Measure Taken to Comply After the Adoption of Temporary Remedies for Non-Compliance). The time limits laid down in this Annex shall be adjusted in line with the special time limits provided for the adoption of rulings by the arbitration panel in those other procedures.

50. In the event that the original panel, or some of its members, are unable to reconvene for the procedures under paragraph 2 of Article 3.34 (Reasonable Period of Time for Compliance), paragraph 2 of Article 3.35 (Review of Any Measure Taken to Comply with the Arbitration Panel Ruling), paragraph 3 of Article 3.36 (Temporary Remedies in Case of Noncompliance), or paragraph 2 of Article 3.37 (Review of Any Measure Taken to Comply After the Adoption of Temporary Remedies for Non-Compliance), the procedures set out in Article 3.29 (Establishment of the Arbitration Panel) shall apply. The time limit for the notification of the ruling shall be extended by 15 days.

2. This Annex shall apply to any measure that is within the scope of this Agreement and that adversely affects investment between the Parties, except as otherwise provided.

ARTICLE 2

Request for Information

1. At any time before the initiation of the mediation procedure, a Party may request the other Party in writing to provide information regarding a measure that adversely affects investment between the Parties. The Party to which such request is made shall provide a written response within 20 days.

2. Where the responding Party considers that it is not practicable to respond within 20 days, it shall inform the requesting Party of the reasons why it is not practicable to respond within this period, together with an estimate of the shortest period within which it will be able to provide its response.

ARTICLE 3

Initiation of the Procedure

1. At any time, a Party may request that the Parties enter into a mediation procedure. Such request shall be addressed to the other Party in writing. The request shall be sufficiently detailed to present clearly the concerns of the requesting Party and shall:
 - (a) identify the specific measure at issue;
 - (b) provide a statement of the alleged adverse effects that the requesting Party believes the measure has, or will have, on investment between the Parties; and

2. If the Parties cannot agree on the mediator within the established time frame, either Party may request the chairperson of the Committee or the chairperson's delegate to select the mediator by lot from the list established under paragraph 2 of Article 3.44 (Lists of Arbitrators). Representatives of both Parties are entitled to be present when the lots are drawn.
3. The chairperson of the Committee or the chairperson's delegate shall select the mediator within five working days of the request referred to in paragraph 2.

Either Party may include any information that it deems relevant in its description of the problem or its comments thereon.
2. The mediator may decide on the most appropriate way of bringing clarity to the measure concerned and its possible adverse effects on investment. In particular, the mediator may organise meetings between the Parties, may consult the Parties jointly or individually, may seek the assistance of or consult with relevant experts and stakeholders and may provide any additional support requested by the Parties. However, before seeking the assistance of or consulting with relevant experts and stakeholders, the mediator shall consult with the Parties.
3. The mediator may offer advice and may propose a solution for the consideration of the Parties, who may accept or reject the proposed solution or may agree on a different solution. 6. The solution may be adopted by means of a decision of the Committee. Either Party may make such solution subject to the completion of any necessary internal procedures. Mutually agreed solutions shall be made publicly available. However, the version disclosed to the public may not contain any information that a Party has designated as confidential.
7. The mediation procedure shall be terminated:
 - (a) by the adoption of a mutually agreed solution by the Parties, in which case the mediation procedure shall terminate on the date of adoption;
 - (b) by the mutual agreement of the Parties at any stage of the mediation procedure, in which case the mediation procedure shall terminate on the date of that agreement;
 - (c) by the written declaration of the mediator, after having consulted with the Parties, that further efforts at mediation would be to no avail, in which case the mediation procedure shall terminate on the date of such declaration; or

- (d) by the written declaration of either Party, after having explored mutually agreed solutions under the mediation procedure and after having considered any advice and proposed solutions by the mediator, in which case the mediation procedure shall terminate on the date of that declaration.

ARTICLE 6

Implementation of a Mutually Agreed Solution

1. Where the Parties have agreed to a solution, each Party shall take the measures necessary to implement the mutually agreed solution within the agreed timeframe.

3. At the request of the Parties, the mediator shall issue to the Parties a draft written factual report, which shall provide a brief summary of: (i) the measure at issue in these proceedings; (ii) the procedures followed; and (iii) any mutually agreed solution reached as the final outcome of these proceedings, including possible interim solutions. The mediator shall provide the Parties 15 days to comment on the draft report. After considering the comments of the Parties submitted within that period, the mediator shall submit a final written factual report to the Parties within 15 days. The final written factual report shall not include any interpretation of this Agreement.
